The Notes will be designated as "qualified tax-exempt obligations" pursuant to Section 265(b)(3) of the Code.

**Each bid must be for all of said Notes** and state a single rate of interest therefor in a multiple of 1/100 or 1/8 of one per centum per annum. Interest will be calculated on the basis of a 360-day year and a 30-day month. Each bid must be for not less than the par value of the Notes.

Said Notes will be awarded to the bidder offering the lowest net interest cost, that being the rate of interest which will produce the least interest cost over the life of the Notes, after accounting for the premium offered, if any. If two or more bids offering to purchase the same principal amount of Notes at the same lowest net interest rate are received, an award will be made by lot from among such lowest bids. In any event, the award of said Notes will be made on the basis of the bid or combination of bids offering to purchase the Notes on terms most favorable to said School District. The right is reserved by said School District to reject any and all bids and any bid not complying with this notice of sale will be rejected.

If the purchaser notifies Bond Counsel by 3:00 P.M., Prevailing Time on the date of sale, such Notes may be issued in the form of book-entry-only notes, in the denomination corresponding to the aggregate principal amount of the Note. In the event that the Purchaser choose registered notes, as a condition to delivery of the Notes, the successful bidder will be required to cause such note certificates to be (i) registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), and (ii) deposited with DTC to be held in trust until maturity. DTC is an automated depository for securities and clearinghouse for securities transactions, and will be responsible for establishing and maintaining a book-entry system for recording the ownership interests of its participants, which include certain banks, trust companies and securities dealers, and the transfers of the interests among its participants. The DTC participants will be responsible for establishing and maintaining records with respect to the Notes. Individual purchases of beneficial ownership interests in the Notes may only be made through book entries (without certificates issued by the School District) made on the books and records of DTC (or a successor depository) and its participants, in denominations of \$5,000 or integral multiples thereof, except for one necessary odd denomination. The School District will not be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

CUSIP identification numbers will be printed on the Notes if the purchaser provides Bond Counsel with such numbers by telefax or any other mode of written communication (verbal advice will not be accepted) by 3:00 o'clock P.M. on the date following the sale of the Notes, but neither the failure to print such number on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Notes in accordance with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on the Notes shall be paid for by the School District, provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser.

As a condition to the purchaser's obligation to accept delivery of and pay for the Notes, such purchaser will be furnished, without cost, the following, dated as of the date of the delivery of and payment for said Notes: (i) a certificate of the President of the Board of Education certifying that (ii) a Closing Certificate, constituting a receipt for the Note proceeds and a signature certificate, which will include a statement that no litigation is pending, or to the knowledge of the signers, threatened affecting the Notes, (iii) an arbitrage certificate executed on behalf of the School District which will include, among other things, covenants, relating to compliance with the Internal Bond Code of 1986 (the "Code"), with the owners of the Notes that the School District will, among other things, (A) take all actions on its part necessary to cause interest on the Notes not to be includable in the gross income of the owners thereof for Federal income tax purposes, including without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Notes and investment earnings thereon, making required payments to the Federal Government, if any, and maintaining books and records in a specified manner, where appropriate, and (B) refrain from taking any action which would cause interest on the Notes to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, refraining from spending the proceeds of the Notes and investment earnings thereon on certain specified purposes; and (iv) the unqualified legal opinion as to the validity of the Notes of Timothy R. McGill, Esq., Bond Counsel, Fairport, New York.

Following the sale of the Notes, the successful bidder will be required to provide to the School District certain information regarding the reoffering price to the public of the Notes. The successful bidder shall furnish to the School District a certificate acceptable to Bond Counsel, dated as of the day of closing for the Notes stating the initial prices at which a bona fide public offering of all of the Notes was made and stating that 10% or more of the Notes were in fact sold to the public (excluding bond houses, brokers and other intermediaries) at or below such initial respective public offering prices. Such certificate shall state that it is made on the best knowledge, information and belief of the successful bidder after appropriate investigation.

In the event of a default in the payment of the principal of and/or interest on the Notes, the State Comptroller is required to withhold, under certain conditions prescribed by Section 99-b of the State Finance Law, state aid and assistance to the School District and to apply the amount thereof so withheld to the payment of such defaulted principal and/or interest, which requirement constitutes a covenant by the State with the holders from time to time of the Notes.
