Said Notes will be awarded to the bidder or bidders offering the lowest net interest cost, that being the rate of interest which will produce the least interest cost over the life of the Notes, after accounting for the premium offered, if any. If two or more bids offering to purchase the same principal amount of Notes at the same lowest net interest rate are received, an award will be made by lot from among such lowest bids. The right is reserved by said School District to award to any bidder all or any part of the Notes which such bidder offers to purchase and, in such event, the premium, if any, specified by such bidder will be pro-rated. The right is reserved by said School District to reject any and all bids and any bid not complying with this Notice of Sale will be rejected.

If the purchaser(s) notifies Bond Counsel by 3:00 o'clock P.M., Prevailing Time on the date of sale, such Notes may be issued in the form of book-entry-only notes, in denominations corresponding to the aggregate principal amount for each Note bearing the same rate of interest and CUSIP number. condition to delivery of the Notes, the successful bidder(s) will be required to cause such note certificates to be (i) registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), and (ii) deposited with DTC to be held in trust until maturity. DTC is an automated depository for securities and clearinghouse for securities transactions, and will be responsible for establishing and maintaining a book-entry system for recording the ownership interests of its participants, which include certain banks, trust companies and securities dealers, and the transfers of the interests among its participants. The DTC participants will be responsible for establishing and maintaining records with respect to the Notes. Individual purchases of beneficial ownership interests in the Notes may only be made through book entries (without certificates issued by the School District) made on the books and records of DTC (or a successor depository) and its participants, in denominations of \$5,000 or integral multiples thereof. All expenses in relation to the printing of CUSIP numbers on the Notes shall be paid for by the School District, provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser(s).
