Each bid must be for all or any part of the Notes and state a single rate of interest therefor in a multiple of 1/100 or 1/8 of one per centum per annum. Interest will be calculated on the basis of a 360-day year and a 30-day month. Each bid must be for not less than the par value of the Notes bid for. All or none bids will be rejected.

The Notes will be awarded to the bidder(s) offering the lowest net interest cost, that being the rate of interest which will produce the least interest cost over the life of the Notes, after accounting for the premium offered, if any. If two or more bids offering to purchase the same principal amount of Notes at the same lowest net interest rate are received, an award will be made by lot from among such lowest bids. In any event, the award of the Notes will be made on the basis of the bid or combination of bids offering to purchase the Notes on terms most favorable to the School District. The right is reserved by the School District to reject any and all bids and any bid not complying with this Notice of Sale will be rejected.

The Notes will be delivered in New York City or as may be agreed with the purchaser(s) on or about July 9, 2009. The purchase price of the Notes, in accordance with the purchaser(s)'s bid, shall be paid in Federal Funds or other funds available for immediate credit on the delivery date.

The purchaser(s) shall have the option of having the Notes issued in bearer form or in the form of fully registered book-entry notes. If the Notes are issued in bearer form, they will be in denominations of \$5,000 or integral multiples thereof, as may be determined by the purchaser(s), and principal of and interest on the Notes will be payable at maturity at such bank or trust company located and authorized to do business in the State of New York as may be selected by the purchaser(s). Paying agent fees, if any, shall be paid by the purchaser(s).

If the purchaser(s) desires registered book-entry notes, it must so notify Bond Counsel by 3:00 o'clock P.M., Prevailing Time, on the date of sale. In such case, the Notes will be (i) registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), and (ii) deposited with DTC to be held in trust until maturity. DTC is an automated depository for securities and clearinghouse for securities transactions, and will be responsible for establishing and maintaining a book-entry system for recording the ownership interests of its participants, which include certain banks, trust companies and securities dealers, and the transfers of the interests among its participants. The DTC participants will be responsible for establishing and maintaining records with respect to the Notes. Individual purchases of beneficial ownership interests in the Notes may be made only through book entries made on the books and records of DTC (or a successor depository) and its participants, in denominations of \$5,000 or integral multiples thereof. Principal of and interest on the Notes will be payable by the School District to DTC or its nominee as registered owner of the Notes. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The School District will not be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

CUSIP identification numbers will be printed on the Notes if Bond Counsel is provided with such numbers by the close of business on the date of sale of the Notes, but neither the failure to print such number on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser(s) thereof to accept delivery of and pay for the Notes in accordance with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on the Notes shall be paid for by the School District, provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser(s).
