Following the sale of the Notes, the successful bidder will be required to provide to the School District certain information regarding the reoffering price to the public of the Notes. The successful bidder shall furnish to the School District a certificate acceptable to Bond Counsel, dated as of the day of closing for the Notes stating the initial prices at which a bona fide public offering of all of the Notes was made and stating that 10% or more of the Notes were in fact sold to the public (excluding bond houses, brokers and other intermediaries) at or below such initial respective public offering prices. Failure by the successful bidder to provide such information will prevent the School District from furnishing such Official Statement as described above. The School District shall not be responsible nor liable in any manner for the successful bidder's determination of information necessary to comply with the Rule or the accuracy of any such information provided by the successful bidder or for failure to furnish such Official Statements as described above which results from a failure by the successful bidder to provide the aforementioned information within the time specified. Acceptance by the successful bidder of such final Official Statements shall be conclusive evidence of the satisfactory completion of the obligations of the School District with respect to the preparation and delivery thereof.

For purposes of the Rule, the School District is the only "obligated person" with respect to the Notes and will make an agreement, as described in the Official Statement, to provide or cause to be provided timely notice of certain material events with respect to the Notes. In the event of a default in the payment of the principal of and/or interest on the Notes, the New York State Comptroller is required to withhold, under certain conditions prescribed by Section 99-b of the New York State Finance Law, State aid and assistance to the School District and to apply the amount thereof so withheld to the payment of such defaulted principal and/or interest, which requirement constitutes a covenant by the State of New York with the holders from time to time of the Notes.
