VILLAGE OF MAMARONECK,
WESTCHESTER COUNTY, NEW YORK
PUBLIC IMPROVEMENT (SERIAL) BONDS, 2021
NOTICE OF BOND SALE

The Bonds will be dated February 10, 2021, will be in denominations equal to each respective maturity, and will be numbered upward in order of maturity. Interest on the Bonds will be payable on July 15, 2021 and semi-annually thereafter on January 15 and July 15 in each year until maturity. The Bonds will mature on January 15 in each of the years and corresponding principal amounts, which are expected to provide substantially level or declining debt service pursuant to paragraph d of Section 21.00 of the Local Finance Law, as follows:

<u>Year</u>	<u>Principal Amount</u>	<u>Year</u>	<u>Principal Amount</u>
2022	\$271,400	2030	\$320,000
2023	280,000	2031	330,000
2024	285,000	2032	335,000
2025	290,000	2033	340,000

2028	310,000	2036	365,000
2029	315,000	2037	370,000

The aggregate par amount of Bonds may be decreased in an amount not in excess of the premium offered by the successful bidder and the amount of each annual maturity, as set forth herein, may be adjusted to the extent necessary, in order that the total proceeds, which include the total par amount of the Bonds plus the original issue premium, if any, received by the Village does not exceed the maximum amount permitted under applicable provisions of the Internal Revenue Code of 1986, as amended (the "Code"). The annual maturities of the Bonds may also be adjusted for the purpose of attaining debt service that is substantially level or declining, as provided pursuant to Section 21.00 of the New York State Local Finance Law. Such adjustments will be made within twenty-four (24) hours following the opening of the bids.

Interest on the bonds will be calculated on a 30-day month and 360-day year basis.

The Bonds maturing on or before January 15, 2029 shall not be subject to redemption prior to maturity. The Bonds maturing on or after January 15, 2030 shall be subject to redemption prior to maturity as a whole or in part (and by lot if less than all of a maturity is to be redeemed) at the option of the Village on January 15, 2029 or on any payment date thereafter at par (100.00%), plus accrued interest to the date of redemption.

If less than all of the Bonds of any maturity are to be redeemed, the particular Bonds of such maturity to be redeemed shall be selected by the Village by lot in any customary manner of selection as determined by the Village Treasurer. Notice of such call for redemption shall be given by mailing such notice to the registered holders not more than sixty (60) days nor less than thirty (30) days prior to such date. Notice of redemption having been given as aforesaid, the Bonds so called for redemption shall, on the date for redemption set forth in such call for redemption, become due and payable, together with interest to such redemption date, and interest shall cease to be paid thereon after such redemption date.

The Bonds will initially be issued in registered certificated form or at the option of the purchaser, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Bonds. If issued in book-entry-only form, ownership interest in the Bonds will be transferred pursuant to the "Book-Entry-Only System" of DTC. Principal and interest on the Bonds will be payable by check or draft mailed by the Village Clerk to DTC, or to its nominee, Cede & Co., as the registered owner of the Bonds. Individual purchases of the Bonds will be made in book entry form only in principal amounts of \$5,000 or integral multiples thereof, except for one necessary odd denomination in the maturing in 2022. Purchasers of the Bonds will not receive certificates representing their ownership interest in the Bonds and ownership interest in the Bonds will be transferred pursuant to the book entry system. If issued in registered certificated form,

principal and interest will be payable at such bank or trust company located and authorized to do business in the State of New York as may be selected by the successful bidder. Paying agent fees, if any, in such case are to be paid by the purchaser. Principal and interest will be payable in lawful money of the United States of America. The Bonds will be fully registered and may not be converted into coupon bonds or be registered to bearer.

Each bid must be for all of said \$5,121,400 serial bonds and may state a single rate of interest or different rates of interest for Bonds maturing in different calendar years; provided, however, that (i) only one rate of interest may be bid for all Bonds maturing in any one calendar year, (ii) the maximum difference between the highest and lowest rate of interest bid for the Bonds may not exceed three per centum per annum, and (iii) all rates of interest bid must be stated in a multiple of one eighth or one hundredth of one per centum per annum. Unless all bids are rejected, the award will be made to the bidder complying with the terms of sale and offering to purchase the Bonds at such rate or rates of interest as will produce the lowest net interest cost computed in accordance with the net interest cost method of calculation, that being the rate or rates of interest which will produce the least interest cost over the life of the Bonds, after accounting for the premium offered, if any. If two or more such bidders offer to purchase the Bonds at the same net interest cost, computed as described above, the Bonds will be awarded to the bidder whose bid offers to purchase the Bonds at the highest premium dollar amount. Notwithstanding the foregoing, the Village reserves the right after selecting the successful purchaser to adjust the above-stated installments of principal to the extent necessary to meet the requirements of substantially level or declining debt service. Any adjustment shall be in the Village's sole discretion, conclusive and binding on the successful purchaser.

THE RIGHT IS RESERVED BY THE VILLAGE TO REJECT ANY OR ALL BIDS FOR ANY REASON, AND ANY BID NOT COMPLYING WITH THIS NOTICE OF BOND SALE WILL BE REJECTED. THE RIGHT IS FURTHER RESERVED, HOWEVER, FOR THE VILLAGE TO WAIVE ANY IRREGULARITY IN THE FORM OF ANY BID, IF, IN THE JUDGMENT OF THE VILLAGE, SUCH WAIVER WOULD NOT MATERIALLY AFFECT THE INTEGRITY OF THE BIDDING PROCESS.

THE VILLAGE RESERVES THE RIGHT TO CHANGE THE TIME AND/OR DATE FOR THE OPENING OF THE BIDS AS DESCRIBED HEREIN. NOTICE OF SUCH CHANGE SHALL BE PROVIDED NOT LESS THAN ONE HOUR PRIOR TO THE TIME SET FORTH HEREIN FOR THE OPENING OF THE BIDS BY MEANS OF A SUPPLEMENTAL NOTICE OF SALE TRANSMITTED OVER THE TM3.

The Village will designate the Bonds as "qualified tax-exempt obligations" pursuant to Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the "Code").

Proposals may be submitted electronically via Fiscal Advisors Auction electronic bid submission website or via facsimile transmission at (315) 930-2354, in accordance with this Notice of Bond Sale, until the time specified herein. No other form of electronic bidding services nor telephone proposals will be accepted. No proposal will be accepted after the time for receiving proposals specified above. Bidders submitting proposals via facsimile must use the "Proposal for Bonds" form attached hereto. Once the proposals are communicated electronically via Fiscal Advisors Auction or via facsimile, each bid will constitute an irrevocable offer to purchase the bonds pursuant to the terms therein provided.

Electronic bidding will take place in a Closed Auction format. Bidders may change and submit bids as many times as they wish during the bidding period, but they may not withdraw a submitted bid. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final electronic and facsimile bids, as more fully described herein, to determine the winning bid. During the auction, no bidder will see any other bidder's bid, nor will see the status of their bid relative to other bids (e.g., whether their bid is a leading bid). Furthermore, no bidder shall have the opportunity to review other bids before providing a bid, or be given an opportunity to review other bids that was not equally given to all other bidders (this is, not exclusive "last look"). By submitting a bid, the underwriter attests that they have an established industry reputation for underwriting new issuances of municipal bonds. Each bid must be for not less than the par value of the bonds. Conditional bids will be rejected, including any bid subject to credit approval.

Prospective bidders wishing to submit an electronic bid must be registered with Fiscal Advisors Auction. To bid electronically, bidders must first visit the Fiscal Advisors Auction website at www.FiscalAdvisorsAuction.com where, if they have never registered with either Fiscal Advisors Auction or any municipal debt auction website powered by Grant Street Group, they can register and then request admission to the Village's auction. Only FINRA registered broker dealers, dealer banks with DTC clearing arrangements and banks or trust companies located and authorized to do business in the State of New York will be eligible to bid. The Village will determine whether any request for admission is granted. Bidders who have previously registered with Fiscal Advisors Auction may call auction support at (412) 391-5555 x1370, to confirm their ID or password. The use of Fiscal Advisors Auction shall be at the bidder's risk, and the Village shall have no liability with respect thereto. By submitting an electronic bid for the bonds, a bidder represents and warrants to the Village that such bidder's bid for the purchase of the bonds is submitted for and on behalf of such prospective bidder by an officer or agent who is duly authorized to bind the bidder to a legal, valid and enforceable contract for the purchase of the bonds.

Each prospective bidder who wishes to submit electronic bids shall be solely responsible to register to bid via Fiscal Advisors Auction. Each qualified prospective bidder shall be solely responsible to make necessary arrangements to access Fiscal Advisors Auction for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Bond Sale. Neither the Village nor Fiscal Advisors Auction shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the Village nor Fiscal Advisors Auction shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by Fiscal Advisors Auction. The Village is using Fiscal Advisors Auction as a communications mechanism, and not as the Village's agent, to conduct the electronic bidding and facsimile bidding for the Village's bonds. The Village is not bound by any advice or determination of Fiscal Advisors and Marketing, Inc. (the "Municipal Advisor") or Grant Street Group as to whether any bid complies with the terms of this Notice of Bond Sale. All costs and expenses incurred by prospective bidders in connection with their registration and submission of bids via Fiscal Advisors Auction are the sole responsibility of the bidders, and the Village is not responsible, directly or indirectly, for any such costs or expenses. If a prospective bidder encounters any difficulty in registering to bid, or submitting or modifying a bid for the bonds, it should telephone and notify the Municipal Advisor at (315) 752-0051 (provided that the Village shall have no obligation to take any action whatsoever upon receipt of such notice).

The "Rules of Fiscal Advisors Auction" can be viewed on the Fiscal Advisors Auction website and are incorporated by reference in this Official Notice of Bond Sale. Bidders must comply with the Rules of Fiscal Advisors Auction in addition to the requirements of this Official Notice of Bond Sale. In the event the Rules of Fiscal Advisors Auction conflict with this Official Notice of Bond Sale, this Official Notice of Bond Sale shall prevail.

If any provisions of this Notice of Bond Sale shall conflict with information provided by Fiscal Advisors Auction, as approved provider of electronic bidding services, the provisions of this Notice of Bond Sale shall control. Further information about Fiscal Advisors Auction, including any fee charged, may be obtained from an agent for Grant Street Group at (412) 391-5555 x1370. The time maintained by Fiscal Advisors Auction shall constitute the official time with respect to all bids submitted.

A good faith deposit ("Deposit") in the form of (i) a certified or cashier's check or (ii) a wire, in the amount of \$102,428 payable to the Village, is required for a bid to be considered by a prospective purchaser. If a check is used, it must be drawn upon an incorporated bank or trust company and must accompany the bid. If a wire transfer is used, it must be sent to the account so designated by the Village for such purpose, not later than 10:00 A.M. on the date of the sale and the wire reference number must be provided on the "Proposal For Bonds" when the bid is submitted. Bidders must contact Fiscal Advisors & Marketing, Inc., 250 South Clinton Street, Suite 502, Syracuse, New York 13202, Telephone (315) 752-0051, the Village's Financial Advisor, no later than 24 hours prior to the sale date to obtain the Village's wire instructions.

In the event that prior to the delivery of the Bonds the interest income from obligations of the same type and character received by the holders thereof shall be taxable by the terms of any Federal income tax law, the successful bidder may, at its election, be relieved of its obligation to purchase the Bonds, and in such case the Deposit will be returned to such bidder without interest.

The Bonds will be issued pursuant to the New York State Constitution and statutes of the State of New York, including, among others, the Local Finance Law, the Village Law and other proceedings and determinations relating thereto, including several serial bond resolutions adopted by the Board of Trustees of the Village on the dates and for the purposes set forth in the Official Statement. The proceeds of the Bonds will be used to provide new monies for the Village as further described in the Official Statement accompanying this Notice of Sale.

The Bonds will be duly authorized, executed and issued in accordance with the New York State Constitution and statutes of the State of New York and will constitute valid and legally binding general obligations of the Village, for the payment of which the Village will have validly pledged its faith and credit, and all real property within the Village subject to taxation by the Village, will be subject to levy by the Village of ad valorem taxes, subject to certain statutory limitations imposed by Chapter 97 of the New York Laws of 2011, for payment of the principal of and interest on the Bonds. **See "Tax Levy Limit Law" in the Official Statement accompanying this Notice of Sale.**

The New York State Constitution requires the Village to pledge its faith and credit for the payment of the principal of and interest on the Bonds and to make annual appropriations for the amounts required for the payment of such principal and interest. The New York State Constitution also provides that if at any time the appropriating authorities fail to make the required appropriations for the annual debt service on the Bonds and certain other obligations of the Village, a sufficient sum shall be set apart from the first revenues thereafter received and shall be applied for such purpose and that the chief fiscal officer of the Village may be required to set apart and apply such revenues as aforesaid at the suit of any holder of such obligations.

If the Bonds qualify for the issuance of any policy of municipal bond insurance or commitment therefor, the purchase of any such insurance policy or the issuance of any such commitment shall be at the sole expense of the purchaser of the Bonds and any increased costs of issuance of the Bonds resulting by reason of the same, including, without limitation, the cost of obtaining a rating on the Bonds from a nationally recognized rating agency, unless otherwise paid, shall be paid by the purchaser. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued shall not constitute cause for a failure or refusal by the purchaser of the Bonds to accept delivery of and pay for the Bonds.

The Bonds will be delivered at New York, New York, or at such other place as may be agreed upon with the purchaser, on or about February 10, 2021, against payment in Federal Funds to the Village, in an amount equal to the par value of the Bonds, plus the premium bid, if any, plus accrued interest, if any, from the date of the Bonds to the day of delivery and payment therefor.

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser to accept delivery of and pay for the Bonds. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the Village; provided, however, that the CUSIP Service Bureau charge for the assignment of such numbers shall be the responsibility of and shall be paid by the purchaser.

Upon delivery of and payment for the Bonds, the purchaser will be furnished, without cost, with the approving opinion of The Law Offices of Jeffrey E. Storch, Bond Counsel to the Village, to the effect that the Bonds are valid and legally binding general obligations of the Village, for the payment of which the Village has validly pledged its faith and credit, and all real property within the Village subject to taxation by the Village, is subject to levy by the Village of such ad valorem taxes, subject to certain statutory limitations imposed by Chapter 97 of the New York Laws of 2011, for payment of the principal of and interest on the Bonds (See “Tax Levy Limit Law” in the Official Statement accompanying this Notice of Bond Sale). Said opinion of Bond Counsel will also state that assuming continuing compliance with certain covenants and the accuracy of certain representations contained in the record of proceedings relating to the authorization and issuance of the Bonds, (a) interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax and the Bonds are “qualified tax-exempt obligations” pursuant to Section 265(b)(3) of the Code; (b) interest on the Bonds is exempt from personal income taxes imposed by the State of New York and political subdivisions thereof, including The City of New York and the City of Yonkers; and (c) the scope of the engagement of The Law Offices of Jeffrey E. Storch, New York, New York, as Bond Counsel in relation to the Bonds, has extended solely to rendering the opinions expressed in said opinion, that said law firm is rendering no opinion other than the opinions expressly stated therein, and that said law firm expresses no opinion on the accuracy or completeness of any documents prepared by or on behalf of the Village for use in connection with the offer and sale of the Bonds.

The purchaser of the Bonds will also be furnished, without cost, in form satisfactory to Bond Counsel, (a) a certificate evidencing execution, delivery and receipt of payment for the Bonds; (b) a certificate dated the date of the Bonds and executed by the officer of the Village who executed the Bonds on behalf of the Village, stating that (i) no litigation is then pending or, to the knowledge of such officer, threatened to restrain or enjoin the issuance or delivery of the Bonds, (ii) the statements contained in the Official Statement relating to the Bonds, on the date thereof and on the date of delivery of and payment for the Bonds, were and are true in all material respects and did not, and do not, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading, and (iii) no authority or proceedings for the issuance of the Bonds have been repealed, rescinded or revoked; (c) a tax compliance certificate executed by the Village Treasurer; (d) a continuing disclosure agreement executed by the Village Treasurer for purposes of Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the “Rule”), promulgated by the Securities and Exchange Commission, as described below; and (e) the unqualified legal opinion as to the validity of the Bonds of The Law Offices of Jeffrey E. Storch, New York, New York, Bond Counsel to the Village, as described herein.

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Bonds, is a good faith offer which the bidder believes reflects current market conditions, and is not a “courtesy bid” being submitted for the purpose of assisting in meeting the competitive sale requirements relating to the establishment of the “issue price” of the Bonds pursuant to Section 148 of the Code, including the requirement that bids be received from at least three (3) underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the “Competitive Sale Requirements”). Fiscal Advisors & Marketing, Inc., as the Village’s financial advisor, will advise the winning bidder if the Competitive Sale Requirements were met at the same time it notifies the winning bidder of the award of the Bonds. Bids will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied.

The winning bidder shall, within one (1) hour after being notified of the award of the Bonds, advise Fiscal Advisors & Marketing, Inc., as the Village’s financial advisor, by electronic or facsimile transmission of the reasonably expected initial public offering price or yield of each maturity of the Bonds (the “Initial Reoffering Prices”) as of the date of the award. By submitting a bid, the winning bidder agrees (unless the winning bidder is purchasing the Bonds for its own account and not with a view to distribution or resale to the public) that if ten percent of each maturity of the Bonds (as hereinafter defined) is not sold on the Sale Date and, if the Competitive Sale Requirements are not met, it will elect and satisfy either option (1) or option (2) described below. Such election must be made on the bid form submitted by each bidder.

For purposes of the “hold the price” or “follow the price” requirement described below, a “maturity” refers to Bonds that have the same interest rate, credit and payment terms.

(1) Hold the Price. The winning bidder:

(a) will make a bona fide offering to the public of all of the Bonds at the Initial Reoffering Prices and provide Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will neither offer nor sell to any person any Bonds within a maturity at a price that is higher, or a yield that is lower, than the Initial Reoffering Price of such maturity until the earlier of (i) the date on which the winning bidder has sold to the public at least ten percent of the Bonds of such maturity at a price that is no higher, or a yield that is no lower, than the Initial Reoffering Price of such maturity or (ii) the close of business on the 5th business day after the date of the award of the Bonds, and

(c) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, language obligating each underwriter to comply with the limitations on the sale of the Bonds as set forth above.

(2) Follow the Price. The winning bidder:

(a) will make a bona fide offering to the public of all of the Bonds at the Initial Reoffering Prices and provide the Village with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will report to the Village information regarding the actual prices at which at least ten percent of the Bonds within each maturity of the Bonds have been sold to the public,

(c) will provide the Village with reasonable supporting documentation or certifications of such sale prices the form of which is acceptable to Bond Counsel. This reporting requirement, which may extend beyond the closing date of the Bonds, will continue until such date that ten percent of each maturity of the Bonds has been sold to the public, and

(d) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, language obligating each underwriter to comply with the reporting requirement described above.

Regardless of whether or not the Competitive Sale Requirements were met, the winning bidder shall submit to the Village a certificate (the "Underwriter's Certificate"), satisfactory to Bond Counsel, prior to the delivery of the Bonds stating the applicable facts as described above. The form of Underwriter's Certificate is available by contacting Bond Counsel or the Fiscal Advisor & Marketing, Inc., as the Village's financial advisor.

If the winning bidder has purchased the Bonds for its own account and not with a view to distribution or resale to the public then, whether or not the Competitive Sale Requirements were met, the Issue Price Certificate will recite such facts and identify the price or prices at which the purchase of the Bonds was made.

For purposes of this Notice, the "public" does not include the winning bidder or any person that agrees pursuant to a written contract with the winning bidder to participate in the initial sale of the Bonds to the public (such as a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Bonds to the public). In making the representations described above, the winning bidder must reflect the effect on the offering prices of any "derivative products" (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Bonds.

Following the sale of the Bonds, the successful bidder will be required to provide to the Village certain information regarding the reoffering price to the public of each maturity of the Bonds. The successful bidder shall furnish to the Village a certificate as outlined above.

THE VILLAGE, ITS FINANCIAL ADVISOR AND BOND COUNSEL WILL BE RELYING ON THE CONTENTS OF THE UNDERWRITER'S CERTIFICATE IN DETERMINING THE ARBITRAGE YIELD ON THE BONDS.

The Official Statement accompanying this Notice of Sale will be made available to prospective purchasers of the Bonds for review prior to sale. The Official Statement is deemed near final by the Village pursuant to paragraph (b)(1) of the Rule, omitting the (i) yield, interest rate and any premium offered on the Bonds; and (ii) the name of the successful bidder and their compensation with respect to the Bonds. Such information will be supplied when the Official Statement is updated following the sale of the Bonds, as required by the Rule. The Village or Fiscal Advisors & Marketing, Inc., the Village's financial advisor for the issuance of the Bonds, will make the requested number of copies of the Official Statement available on the date and at the place designated by the winning bidder upon its request. Otherwise, the Village, and Fiscal Advisors & Marketing, Inc., acting on behalf of the Village, assume no responsibility and have not and will not incur any duty to comply with any provision of the Rule regarding the availability or distribution of the Official Statement to investors.

The population of the Village is estimated to be 19,131. The average full valuation of real property subject to taxation by the Village as of January 14, 2021 is \$4,164,722,434, its debt limit is \$291,530,570 and its net indebtedness (exclusive of the Bonds) is \$32,646,747.

For purposes of the Rule, the Village is the only “obligated person” with respect to the Bonds and will make an agreement, as described in the Official Statement, to provide or cause to be provided (i) certain annual financial information and operating data (the “Annual Information”) for the preceding fiscal year, (ii) timely notice of the occurrence of certain material events with respect to the Bonds, and (iii) timely notice of any failure by the Village to provide the Annual Information with respect to itself within the time specified in that agreement (the “Undertaking”). The Official Statement contains a complete description of the Undertaking.

This Notice of Bond Sale was disseminated electronically by posting to www.fiscaladvisors.com and www.fiscaladvisorsauction.com. This method of distribution is regularly used by the Municipal Advisor and the Village for purposes of disseminating notices of sale of new issuances of municipal bonds.
