

NOTICE OF SALE

TOWN OF STILLWATER SARATOGA COUNTY, NEW YORK

\$5,020,000 Bond Anticipation Notes, 2025 (Renewals) **(Bank Qualified) (Non-Callable)**

Notice is given that the undersigned Supervisor of the Town of Stillwater, Saratoga County, New York (the "Town"), will receive electronic bids and facsimile bids, as more fully described below, for the purchase IN FEDERAL FUNDS, at not less than par and accrued interest, of \$5,020,000 Bond Anticipation Notes, 2025 (Renewals) (the "Notes"), with interest payable at maturity. Bids must be submitted electronically on Fiscal Advisors Auction website ("Fiscal Advisors Auction") accessible at www.FiscalAdvisorsAuction.com, or via facsimile to (315) 930-2354 by no later than **11:00 A.M., Prevailing Time on the 15th day of May, 2025**. Bidders submitting proposals via facsimile must use the "Proposal for Notes" form attached hereto.

The Notes will be dated May 29, 2025 and will mature on May 29, 2026, with interest payable at maturity. The Notes will not be subject to redemption prior to maturity. Interest will be calculated on a 30-day month and 360-day year basis, payable at maturity.

The Town will designate the Notes as "qualified tax-exempt obligations" pursuant to Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

PROCEDURES FOR DISTRIBUTION

This Notice of Sale was disseminated electronically by posting to www.fiscaladvisors.com and www.FiscalAdvisorsAuction.com. This method of distribution is regularly used by Fiscal Advisors & Marketing, Inc. (the "Municipal Advisor") for purposes of disseminating notices of sale of new issuances of municipal bonds.

PROCEDURES FOR BIDDING

Submission of Bids

Proposals may be submitted in accordance with this Notice of Sale until the time specified herein. No proposal will be accepted after the time for receiving proposals specified above. Any proposal received by the time for receiving proposals specified herein, which has not been modified or withdrawn by the bidder, shall constitute an irrevocable offer to purchase the Notes pursuant to the terms herein and therein provided. All bidders shall be offered an equal opportunity to bid to purchase the Notes. Furthermore, no bidder shall have the opportunity to review other bids before providing a bid, or be given an opportunity to review other bids that was not equally given to all other bidders (that is, no exclusive "last look"). If an underwriter is submitting the bid, the underwriter attests that it has an established industry reputation for underwriting new issuances of municipal bonds.

The timely delivery of all proposals submitted by facsimile transmission must be in legible and complete form, signed by an authorized representative of the bidder, and shall be the sole responsibility of the bidder. The Town shall not be responsible for any errors and/or delays in transmission and/or receipt of such bids, mechanical or technical failures or disruptions, or any omissions or irregularities in any bids submitted in such manner.

Electronic bidding will take place in a Closed Auction format. Bidders may change and submit bids as many times as they wish during the bidding period, but they may not withdraw a submitted bid. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final electronic and facsimile bids, as more fully described herein, to determine the winning bid. During the auction, no bidder will see any other bidder's bid, nor will they see the status of their bid relative to other bids (e.g., whether their bid is a leading bid).

Each bid may be for all or any part of the Notes and state a single rate of interest therefor in a multiple of 1/8 or 1/100, of one per centum per annum. Interest will be calculated on the basis of a 360-day year and a 30-day month. Any bidder may submit two separate bids at different rates of interest.

Any attempt to bid with alterations to the specific language contained in this Notice of Sale will be considered a failure to execute a proper bid as specified in this Notice of Sale and will be treated as a violation of applicable competitive bidding regulations and therefore will be treated as a non-conforming bid which will be rejected.

Award of Notes

Unless all bids are rejected, the award will be made to the bidder complying with the terms of sale and offering to purchase the Notes at the lowest net interest cost, that being the rate of interest which will produce the least interest cost over the life of the Notes, after accounting for the premium offered, if any; provided, however, that if two or more bidders offer to purchase the Notes at the same lowest net interest cost, then such award will be made to one of said bidders as may be selected by lot from among said bidders by the undersigned Town Supervisor.

The Town reserves the right to reject any and all bids (regardless of the interest rate bid), to reject any bid not complying with this Notice of Sale and, so far as permitted by law, to waive any irregularity or informality with respect to any bid or the bidding process. All or none bids will be rejected. Conditional bids will be rejected, including any bid subject to credit approval.

Registration to Bid

To bid electronically using Fiscal Advisors Auction, bidders must first visit the Fiscal Advisors Auction website at www.FiscalAdvisorsAuction.com where, if they have never registered with either Fiscal Advisors Auction or any municipal debt auction website powered by Grant Street Group, they can register and then request admission to the Town's auction. Only FINRA registered broker dealers, dealer banks with DTC clearing arrangements and banks or trust companies located and authorized to do business in the State of New York will be eligible to bid. The Town will determine whether any request for admission is granted. Bidders who have previously registered with Fiscal Advisors Auction may call auction support at (412) 391-5555 x1370, to confirm their ID or password. The use of Fiscal Advisors Auction shall be at the bidder's risk, and the Town shall have no liability with respect thereto. Bidders shall not be required to register in order to submit a facsimile bid.

Rules of Fiscal Advisors Auction

The "Rules of Fiscal Advisors Auction" can be viewed on the Fiscal Advisors Auction website and are incorporated by reference in this Notice of Sale. Bidders must comply with the Rules of Fiscal Advisors Auction in addition to the requirements of this Notice of Sale. In the event the Rules of Fiscal Advisors Auction conflict with this Notice of Sale, this Notice of Sale shall prevail.

Disclaimer

Each prospective bidder who wishes to submit electronic bids shall be solely responsible to register to bid via Fiscal Advisors Auction. Each qualified prospective bidder shall be solely responsible to make necessary arrangements to access Fiscal Advisors Auction for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Town nor Fiscal Advisors Auction shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the Town nor Fiscal Advisors Auction shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by Fiscal Advisors Auction. The Town is using Fiscal Advisors Auction as a communications mechanism, and not as the Town's agent, to conduct the electronic bidding for the Notes. If a prospective bidder encounters any difficulty in registering to bid, or submitting or modifying a bid for the Notes, it should telephone Fiscal Advisors Auction and notify the Municipal Advisor at (315) 752-0051 (provided that the Town shall have no obligation to take any action whatsoever upon receipt of such notice). After receipt of bids is closed, the Town through Fiscal Advisors Auction or telephone will indicate the apparent successful bidder. Such message is a courtesy only for viewers, and does not constitute the award of the Notes. The Fiscal Advisors Auction bids will be compared with bids received outside of Fiscal Advisors Auction, if any, before the award is made. Each bid will remain subject to review by the Town to determine its net interest cost and compliance with the terms of this Notice of Sale.

Issue Price

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Notes, is a good faith offer which the bidder believes reflects current market conditions, and is not a "courtesy bid" being submitted for the purpose of assisting in meeting the competitive sale requirements relating to the establishment of the "issue price" of the Notes pursuant to Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), including the requirement that bids be received from at least three (3) underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the "Competitive Sale Requirements"). The Municipal Advisor will advise the winning bidder if the Competitive Sale Requirements were met at the same time it notifies the winning bidder of the award of the Notes. Bids will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied.

The winning bidder shall, within one (1) hour after being notified of the award of the Notes, advise the Municipal Advisor by electronic or facsimile transmission of the reasonably expected initial public offering price or yield of each maturity of the Notes (the “Initial Reoffering Prices”) as of the date of the award.

By submitting a bid, the winning bidder agrees (unless the winning bidder is purchasing the Notes for its own account and not with a view to distribution or resale to the public) that if the Competitive Sale Requirements are not met, it will elect and satisfy either option (1) or option (2) described below. *Such election must be made on the bid form submitted by each bidder.*

For purposes of the “hold the price” or “follow the price” requirement described below, a “maturity” refers to Notes that have the same interest rate, credit and payment terms.

(1) Hold the Price. The winning bidder:

(a) will make a bona fide offering to the public of all of the Notes at the Initial Reoffering Prices and provide Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will neither offer nor sell to any person any Notes within a maturity at a price that is higher, or a yield that is lower, than the Initial Reoffering Price of such maturity until the earlier of (i) the date on which the winning bidder has sold to the public at least 10 percent of the Notes of such maturity at a price that is no higher, or a yield that is no lower, than the Initial Reoffering Price of such maturity or (ii) the close of business on the 5th business day after the date of the award of the Notes, and

(c) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, language obligating each underwriter to comply with the limitations on the sale of the Notes as set forth above.

(2) Follow the Price. The winning bidder:

(a) will make a bona fide offering to the public of all of the Notes at the Initial Reoffering Prices and provide Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will report to the Town information regarding the actual prices at which at least 10 percent of the Notes within each maturity of the Notes have been sold to the public,

(c) will provide the Town with reasonable supporting documentation or certifications of such sale prices the form of which is acceptable to Bond Counsel. This reporting requirement, which may extend beyond the closing date of the Notes, will continue until such date that 10 percent of each maturity of the Notes has been sold to the public, and

(d) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, language obligating each underwriter to comply with the reporting requirement described above.

Regardless of whether or not the Competitive Sale Requirements were met, the winning bidder shall submit to the Town a certificate (the “Reoffering Price Certificate”), satisfactory to Bond Counsel, prior to the delivery of the Notes stating the applicable facts as described above. The form of Reoffering Price Certificate is available by contacting Bond Counsel or the Municipal Advisor.

If the winning bidder has purchased the Notes for its own account and not with a view to distribution or resale to the public, then, whether or not the Competitive Sale Requirements were met, the Reoffering Price Certificate will recite such facts and identify the price or prices at which the purchase of the Notes was made.

For purposes of this Notice of Sale, the “public” does not include the winning bidder or any person that agrees pursuant to a written contract with the winning bidder to participate in the initial sale of the Notes to the public (such as a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Notes to the public). In making the representations described above, the winning bidder must reflect the effect on the offering prices of any “derivative products” (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Notes.

THE NOTES

The Notes will be valid and legally binding general obligations of the Town, all the taxable real property within which will be subject to the levy of ad valorem taxes to pay the Notes and interest thereon, subject to applicable statutory limitations. See sections entitled “THE NOTES – Nature of the Obligation” and “TAX LEVY LIMITATION LAW” in the Preliminary Official Statement prepared by the Town dated May 6, 2025 (the “Preliminary Official Statement”). Principal of and interest on the Notes are payable at maturity in lawful money of the United States of America (Federal Funds).

The purchaser(s) shall have the option of having the Notes registered in the name of the purchaser in denominations of \$5,000, or integral multiples thereof, or in the form of book-entry-only notes registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”). All expenses related to DTC shall be the responsibility of the purchaser(s). If the Notes are registered in the name of the purchaser, principal of and interest on the Notes will be payable in Federal Funds at maturity at such bank(s) or trust company(ies) located and authorized to do business in the State of New York as may be selected by the successful bidder(s).

If the purchaser(s) notifies Bond Counsel by 3:00 P.M., Prevailing Time, on the date of sale, the Notes may be issued in the form of book-entry-only notes, in denominations corresponding to the aggregate principal amount for each Note bearing the same rate of interest and CUSIP number. In the event that the purchaser(s) chooses registered notes, as a condition to delivery of the Notes, the successful bidder(s) will be required to cause such note certificates to be (i) registered in the name of Cede & Co., and (ii) deposited with DTC to be held in trust until maturity. DTC is an automated depository for securities and clearinghouse for securities transactions, and will be responsible for establishing and maintaining a book-entry system for recording the ownership interests of its participants, which include certain banks, trust companies and securities dealers, and the transfers of the interests among its participants. The DTC participants will be responsible for establishing and maintaining records with respect to the Notes. Individual purchases of beneficial ownership interests in the Notes may only be made through book entries (without certificates issued by the Town) made on the books and records of DTC (or a successor depository) and its participants, in denominations of \$5,000 or integral multiples thereof. Principal of and interest on the Notes will be payable by the Town by wire transfer or in clearinghouse funds to DTC or its nominee as registered owner of the Notes. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The Town will not be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

The Municipal Advisor intends to provide each purchaser of the issue with CUSIP identification numbers in compliance with MSRB Rule G-34, (a)(i) (A)-(H). As is further discussed in Rule G-34 the purchaser, as the “dealer who acquires” the issue, is responsible for the registration fee to the CUSIP Service Bureau for this service. CUSIP identification numbers will be printed on the Notes if Bond Counsel is provided with such numbers by the close of business on the sale date of the Notes, but neither the failure to print such number on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery and pay for the Notes in accordance with the terms hereof. All expenses in relation to the printing of CUSIP numbers on the Notes will be paid for by the Town; provided, however, the Town assumes no responsibility for any CUSIP Service Bureau charge or other charges that may be imposed for the assignment of such numbers.

The Notes will be delivered through the facilities of DTC in Jersey City, New Jersey or otherwise as may be agreed with the purchaser(s) on or about May 29, 2025. The purchase price of the Notes, in accordance with each purchaser's bid, shall be paid in Federal Funds or other funds available for immediate credit on said delivery date.

As a condition to each purchaser's obligation to accept delivery of and pay for the Notes, such purchaser will be furnished, without cost, the following, dated as of the date of the delivery of and payment for the Notes: (i) a certificate of the Town Supervisor to the effect that, as of the date of the final Official Statement (the “Official Statement”) furnished by the Town in relation to the Notes and at all times subsequent thereto, up to and including the time of delivery of the Notes, the Official Statement did not and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and further stating that, to his knowledge, since the date of the Official Statement up to and including the time of delivery of the Notes, there have been no adverse material transactions not in the ordinary course of affairs entered into by the Town or in its financial condition as shown in the Official Statement other than as disclosed in or contemplated by the Official Statement, (ii) a certificate of the Town Supervisor evidencing payment for the Notes, (iii) a closing certificate evidencing the due execution of the Notes, including statements that (a) no litigation of any nature is at the time of delivery of the Notes pending or, to the knowledge of the signers, threatened to restrain or enjoin the issuance or delivery of the Notes, or the levy and collection of taxes or assessments to pay the Notes, or in any manner questioning or affecting, directly or indirectly, the validity of the Notes or the proceedings or authority for the issuance of the Notes, or contesting the corporate existence or boundaries of the Town or the title of the signers to their respective offices, and (b) no authority or proceedings for the issuance of the Notes has been repealed, revoked or rescinded, (iv) an arbitrage and use of proceeds certificate relating to the use and investment of the proceeds of the

Notes, (v) a certificate of the Town Supervisor evidencing the Town's covenant to the beneficial owners of the Notes to provide, so long as the Notes are outstanding, notices of certain material events (which covenant is more fully described in the Preliminary Official Statement), and (vi) the approving legal opinion as to the validity of the Notes of Walsh Schwartz LLP, Bond Counsel, of Saratoga Springs, New York. Reference should be made to the Preliminary Official Statement for a description of the scope of Bond Counsel's engagement in relation to the issuance of the Notes and matters covered by such legal opinion. Furthermore, reference should be made to the information under the headings "LEGAL MATTERS" and "TAX MATTERS" in the Preliminary Official Statement.

Any party executing and delivering a bid for the Notes agrees, if its bid is accepted by the Town, to provide to the Town, in writing, within two business days after the date of such award, all information which said successful bidder(s) determines is necessary for it to comply with SEC Rule 15c2-12, including all necessary pricing and sale information, information with respect to the purchase of municipal bond insurance, if any, and underwriter identification. Within five business days following receipt by the Town thereof, the Town will furnish to the successful bidder(s), in reasonable quantities as requested by the successful bidder(s), copies of the Official Statement, updated as necessary, and supplemented to include said information. Failure by the successful bidder(s) to provide such information will prevent the Town from furnishing the Official Statement as described above. The Town shall not be responsible or liable in any manner for the successful bidder(s)'s determination of information necessary to comply with SEC Rule 15c2-12 or the accuracy of any such information provided by the successful bidder(s) or for failure to furnish the Official Statement as described above which results from a failure by the successful bidder(s) to provide the aforementioned information within the time specified. Acceptance by the successful bidder(s) of the Official Statement shall be conclusive evidence of the satisfactory completion of the obligations of the Town with respect to the preparation and delivery thereof.
