The Bonds are general obligations of the County, for the payment of which the County has pledged its faith and credit. All of the taxable real property within the County is subject to the levy of ad valorem taxes to pay both the principal of and interest on the Bonds, subject to applicable statutory limitations.

The Bonds

The Bonds will be issued in fully registered form, in denominations of \$5,000 or any integral multiple thereof, will be serial bonds, and will mature on June 1 in the following years in the amounts as follows:

Table with 6 columns: Year, Amount*, Year, Amount**, Year, Amount**. Rows list years from 2021 to 2039 with corresponding amounts.

* Subject to adjustment by the County to accomplish level debt.

** Callable maturities.

Book-Entry System

The bonds will initially be issued in registered certificated form and at the option of the purchaser, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”), as registered owner of the Bonds and each such bond shall be immobilized in the custody of DTC. DTC will act as securities depository for the Bonds. Individual purchases will be made in book-entry form only, in the principal amount of \$5,000 or any integral multiple thereof. Purchasers will not receive physical delivery of certificates representing their interest in the Bonds purchased. The winning bidder, as a condition to delivery of the Bonds, will be required to deposit the bond certificates with DTC.

Principal of and interest on the Bonds will be payable by the County by wire transfer or in clearinghouse funds to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to beneficial owners of the Bonds by participants of DTC (“Participants”) will be the responsibility of Participants and other nominees of beneficial owners. The County will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by DTC, Participants or persons acting through Participants.

Optional Redemption

Bonds that mature on or before June 1, 2026 are not subject to optional redemption prior to their stated maturities. Bonds that mature on or after June 1, 2027 will be subject to redemption beginning June 1, 2026 in whole or in part at any time, at the option of the County, upon payment of the par amount of the Bonds so redeemed plus interest accrued and unpaid to the redemption date.

Selection of Bonds to be Redeemed in Partial Redemption

If less than all of the Bonds of a particular maturity are called for redemption, DTC or any successor securities depository will select the Bonds to be redeemed pursuant to its rules and procedures or, if the book-entry system is discontinued, the Bonds to be redeemed will be selected by the Chief Fiscal Officer, who has been appointed registrar (the “Registrar”), by lot in such manner as the Registrar in its discretion may determine. In either case, each portion of the \$5,000 principal amount is counted as one Bond for such purpose.

Notice of Redemption

The County will cause notice of the call for redemption identifying the Bonds or portion thereof to be redeemed to be sent by facsimile transmission, e-mail, registered or certified mail or overnight express delivery, not less than 30 nor more than 60 days prior to the redemption date, to the registered owner thereof. The County shall not be responsible for mailing notice of redemption to anyone other than DTC or another qualified securities depository or its nominee unless no qualified securities depository is the registered owner of the Bonds. If no qualified securities depository is the registered owner of the Bonds, notice of redemption shall be mailed to the registered owners of the Bonds. If a portion of a Bond is called for redemption, a new Bond in principal amount equal to the unredeemed portion shall be issued to the registered owner upon the surrender thereof.

Credit Rating

Moody’s Investors Service, Inc., S&P Global Ratings and Fitch Ratings have assigned to the Bonds municipal bond ratings of “Aa2 stable”, “AA stable” and “AAA negative”, respectively. An explanation of the significance of these ratings may be obtained from Moody’s Investors Service, Inc. 250 Greenwich Street, 7 World Trade Center, New York, New York 10007, S&P Global Ratings, 55 Water Street, New York, New York 10041, and Fitch Ratings, 33 Whitehall Street, New York, New York 10004. There is no assurance that these ratings will continue for any period of time or that the ratings will not be revised or withdrawn. Any such revision or withdrawal of either rating may have an adverse effect on the market price of the Bonds.

Interest Rates and Limitations

The Bonds will bear interest from July 3, 2019, payable on June 1 and December 1 of each year, beginning on June 1, 2020, until maturity or in the case of Bonds which shall be subject to redemption and which shall have been called for redemption and payment of the redemption price shall have been made or shall have been provided for, until the date fixed for redemption, at a rate or rates of interest to be specified by the bidder, in a multiple or multiples of one-eighth (1/8) or one-hundredth (1/100) of one per centum (1%) (rate of interest shall mean the rate of interest which does not take into account any original issue discount or premium). Each bid must be for all of said Bonds, and may state a single rate of interest or different rates of interest for bonds maturing in different calendar years, provided, however, that (1) all Bonds maturing on the same date shall bear interest at the same rate; (2) no Bond shall bear interest at more than one rate, or at any contingent or variable rate; and (3) the maximum difference between the highest and lowest rate of interest bid for the Bonds may not exceed three per centum per annum. Yield shall mean yield to maturity taking into account any original issue discount or premium (and for this purpose only, yield need not be in a multiple of 1/8 or 1/100 of one percent).

Change of Bid Date and Closing Date

The County reserves the right to postpone, from time to time, the date established for the receipt of bids and will undertake to notify registered prospective bidders not less than one hour prior to the time set forth for the opening of bids by means of a supplemental notice of bond sale to be transmitted over TM3 and via email notification sent by Grant Street. Prospective bidders may request notification by facsimile transmission of any such changes in the date or time for the receipt of bids by so advising, and furnishing their telecopier numbers to Fiscal Advisors & Marketing, Inc. at (315) 752-0051 ext. 1 by 12:00 NOON, Eastern time, on the day prior to the announced date for receipt of bids.

On any such alternative date and time for receipt of bids, the County will accept electronic and facsimile bids for the purchase of the Bonds, such bids to conform in all respects to the provisions of this Notice of Bond Sale, except for the changes in the date and time for receipt of bids and any other changes announced by Grant Street.

The County may change the scheduled delivery date for the Bonds by notice given in the same manner as that set forth for a change in the date for the receipt of bids. See "Delivery" below.

All Or None ("AON") Bids

Bidders may bid to purchase all Bond maturities by submitting a bid in the AON auction. No AON bid will be considered which does not offer to purchase all of the Bonds. Each AON bid must specify an annual rate of interest for each maturity and a dollar purchase price for the entire issue of Bonds.

Basis of Award

Subject to the right reserved to the County to reject any or all bids, the Bonds will be sold to the bidder whose bid produces the lowest true interest cost for the County and otherwise complies with this Notice of Bond Sale. The true interest cost for the Bonds will be determined by doubling the semi-annual interest rate, compounded semi-annually, necessary to discount the semi-annual debt service payments from the payment dates to the dated date of the Bonds (July 3, 2019) and to the aggregate purchase price, excluding interest accrued to the date of delivery.

Issue Price Certificate

Following the sale of the bonds, on the Sale Date, the successful bidder will be required to provide to the County and its Bond Counsel certain information regarding the reoffering price to the public of each maturity of the bonds. The successful bidder also must submit to the County a certificate (the "Reoffering Price Certificate"), satisfactory to Bond Counsel, dated as of the day of the delivery of the bonds, which assuming three bids from Underwriters are received, states:

(a)(i) on the date of award, such successful bidder made a bona fide public offering of all bonds of all maturities at initial offering prices corresponding to the prices or yields indicated in the information furnished in connection with the successful bid, and (ii) as of such date, the first price or yield at which an amount equal to at least ten percent of each maturity of the bonds was reasonably expected to be sold to the public was, respectively, a price not higher or a yield not lower than indicated in the information furnished with the successful bid (the "first price rule"), and (iii) provides a copy of the pricing wire or equivalent communication for the bonds attached to the Reoffering Price Certificate. The public means any persons including an individual, trust, estate, partnership, association, company or corporation (other than the successful bidder or a related party to the successful bidder, being two or more persons who have greater than 50% common ownership directly or indirectly, or any person that agrees pursuant to a written contract or other agreement with the successful bidder to participate in the initial sale of the bonds to the public).

(b) the successful bidder was not given the opportunity to review other bids prior to submitting its bid.

(c) the bid submitted by the successful bidder constituted a firm offer to purchase the bonds.

In the event that at least three bids are not received by the County on the Sale Date, and at least ten percent of each maturity of the bonds have been sold on the Sale Date, the successful bidder shall certify as to the first price or yield at which ten percent of each maturity was sold and provide a copy of the pricing wire or equivalent communication.

In addition, in the event that (1) at least three bids are not received by the County on the Sale Date, and (2) ten percent of each maturity of the bonds have not been sold on the Sale Date (each an "Unsold Maturity"), the successful bidder (and any members of its underwriting group or syndicate) shall have the option (i) to provide to the County (or its agents) ongoing pricing information, together with reasonable supporting documentation acceptable to bond counsel (such as the pricing wire), until 10% of each Unsold Maturity is sold (the "Follow-the-Price Requirement"), or (ii) shall be required to hold the initial reoffering price to the public of each such Unsold Maturity (as reported to the County on the Sale Date) for the lesser of five (5) business days after the Sale Date or the date on which at least 10% of each such Unsold Maturity are sold (the "Hold-the-Offering-Price Requirement"). A certification as to the details of compliance with this requirement shall be part of the Reoffering Price Certificate.

The County or its municipal advisor on its behalf shall advise the successful bidder on the Sale Date as to whether at least three bids were received. Delivery of a bid shall constitute the bidder's agreement to comply with the Hold-the-Offering-Price Requirement or the Follow-the-Price Requirement of this Notice of Bond Sale and to certify to compliance therewith under the circumstances described herein

Such certificate shall state that it is made on the best knowledge, information and belief of the successful bidder after appropriate investigation.
