PROCEDURES FOR DISTRIBUTION

This Notice of Sale was disseminated electronically by posting to www.fiscaladvisors.com and www.fiscaladvisorsauction.com. This method of distribution of the Notice of Sale is regularly used by Fiscal Advisors & Marketing, Inc. (the "Municipal Advisor") for purposes of disseminating notices of sale of new issuances of municipal notes.

PROCEDURES FOR BIDDING

Submission of Bids

Proposals may be submitted in accordance with this Notice of Sale until the time specified herein. No proposal will be accepted after the time for receiving proposals specified above. Any proposal received by the time for receiving proposals specified herein, which has not been modified by the bidder, shall constitute an irrevocable offer to purchase the Notes pursuant to the terms herein and therein provided. All bidders shall be offered an equal opportunity to bid to purchase the Notes. Furthermore, no bidder shall have the opportunity to review other bids before providing a bid, or be given an opportunity to review other bids that was not equally given to all other bidders (this is, no exclusive "last look"). By submitting a bid, the underwriter attests that they have an established industry reputation for underwriting new issuances of municipal notes.

The timely delivery of all proposals submitted by facsimile transmission (FAX) must be in legible and complete form, signed by an authorized representative of the bidder, and shall be the sole responsibility of the bidder. The BOCES shall not be responsible for any errors and/or delays in transmission and/or receipt of such bids, mechanical or technical failures or disruptions, or any omissions or irregularities in any bids submitted in such manner.

Electronic bidding will take place in a Closed Auction format. Bidders may change and submit bids as many times as they wish during the bidding period, but they may not withdraw a submitted bid. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final electronic and facsimile bids, as more fully described herein, to determine the winning bid. During the auction, no bidder will see any other bidder's bid, nor will they see the status of their bid relative to other bids (e.g., whether their bid is a leading bid).

Each bid may be for all or any part of the Notes (subject to a \$1,000,000 minimum bid), and state a single rate of interest therefor in a multiple of one-eighth ($1/8^{\text{th}}$), or one-hundredth ($1/100^{\text{th}}$) of one per centum (1%) per annum.

The BOCES reserves the right to reject any and all bids (regardless of the interest rate bid), to reject any bid not complying with this official Notice of Sale and, so far as permitted by law, to waive any irregularity or informality with respect to any bid or the bidding process. All or none bids will be rejected. Conditional bids will be rejected, including any bid subject to credit approval.

Any attempt to bid with alterations to the specific language contained in this Notice of Sale will be considered a failure to execute a proper bid as specified in this Notice of Sale and be treated as a violation of the applicable competitive bidding regulations and will be treated as a non-conforming bid and will be rejected.

Post-Sale Adjustments of Par Amount of the Notes

Following the sale of the Notes, the aggregate par amount of Notes may be decreased in an amount not in excess of the premium offered by the successful bidder(s) to the extent necessary in order that the total proceeds, which include the total par amount of the Notes plus the original issue premium, if any, received by the BOCES do not exceed the maximum amount permitted under applicable provisions of the Internal Revenue Code of 1986 (the "Code"), as amended. In such event, the premium shall also be adjusted to the extent necessary to achieve the same net interest cost which served as the basis for the award to the purchaser.

If the Notes are awarded to more than one purchaser, any decrease in the par amount of the Notes shall be made on a pro-rata basis among said purchasers and the premium shall also be adjusted to the extent necessary to achieve the same net interest cost.

Award of Notes

The Notes will be awarded to the bidder or bidders offering the lowest net interest cost, that being the rate of interest which will produce the lowest net interest cost over the life of the Notes, after accounting for the premium offered, if any. In the event bids offering the same lowest net interest cost are received, an award will be made to the bidder offering to purchase the greater principal amount of Notes. If two or more bids offering to purchase the same principal amount of Notes at the same lowest net interest rate are received, an award will be made by lot from among such lowest bids. The right is reserved by said BOCES to award to any bidder all or any part of the Notes which such bidder offers to purchase and, in such event, the premium, if any, specified by such bidder will be pro-rated. In any event, the award of said Notes will be made on the basis of the bid or combination of bids offering to purchase the Notes on terms most favorable to said BOCES.

Registration to Bid

To bid electronically using Fiscal Advisors Auction, bidders must first visit the Fiscal Advisors Auction website at www.fiscaladvisorsauction.com where, if they have never registered with either Fiscal Advisors Auction or any municipal debt auction website powered by Grant Street Group, they can register and then request admission to the BOCES's auction. Only FINRA registered broker dealers, dealer banks with DTC clearing arrangements and banks or trust companies located and authorized to do business in the State of New York will be eligible to bid. The BOCES will determine whether any request for admission is granted. Bidders who have previously registered with Fiscal Advisors Auction may call auction support at (412) 391-5555 x1370 to confirm their ID or password. The use of Fiscal Advisors Auction shall be at the bidder's risk, and the BOCES shall have no liability with respect thereto. Bidders shall not be required to register in order to submit a facsimile bid.

Rules of Fiscal Advisors Auction

The "Rules of Fiscal Advisors Auction" can be viewed on the Fiscal Advisors Auction website and are incorporated by reference in this Notice of Sale. Bidders must comply with the Rules of Fiscal Advisors Auction in addition to the requirements of this Notice of Sale. In the event the Rules of Fiscal Advisors Auction conflict with this Notice of Sale, this Notice of Sale shall prevail.

Disclaimer

Each prospective bidder who wishes to submit electronic bids shall be solely responsible to register to bid via Fiscal Advisors Auction. Each qualified prospective bidder shall be solely responsible to make necessary arrangements to access Fiscal Advisors Auction for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the BOCES nor Fiscal Advisors Auction shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the BOCES nor Fiscal Advisors Auction shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by Fiscal Advisors Auction. The BOCES is using Fiscal Advisors Auction as a communications mechanism, and not as the BOCES's agent, to conduct the electronic bidding for the Notes. If a prospective bidder encounters any difficulty in registering to bid, or submitting or modifying a bid for the Notes, it should telephone Fiscal Advisors Auction and notify the Municipal Advisor at (315) 752-0051 (provided that the BOCES shall have no obligation to take any action whatsoever upon receipt of such notice). After receipt of bids is closed, the BOCES through Fiscal Advisors Auction or telephone will indicate the apparent successful bidder. Such message is a courtesy only for viewers, and does not constitute the award of the Notes. The Fiscal Advisors Auction bids will be compared with bids received outside of Fiscal Advisors Auction, if any, before the award is made. Each bid will remain subject to review by the BOCES to determine its net interest cost and compliance with the terms of this Notice of Sale.

Issue Price

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Notes, is a good faith offer which the bidder believes reflects current market conditions, and is not a "courtesy bid" being submitted for the purpose of assisting in meeting the competitive sale requirements relating to the establishment of the "issue price" of the Notes pursuant to the Code, including the requirement that bids be received from at least three (3) underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the "Competitive Sale Requirements"). The Municipal Advisor will advise the winning bidder if the Competitive Sale Requirements were met at the same time it notifies the winning bidder of the award of the Notes. Bids will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied.

The winning bidder shall, within one (1) hour after being notified of the award of the Notes, advise the Municipal Advisor by electronic or facsimile transmission of the reasonably expected initial public offering price or yield of each maturity of the Notes (the "Initial Reoffering Prices") as of the date of the award.

By submitting a bid, the winning bidder agrees (unless the winning bidder is purchasing the Notes for its own account and not with a view to distribution or resale to the public) that if the Competitive Sale Requirements are not met, it will elect and satisfy either option (1) or option (2) described below. Such election must be made on the bid form submitted by each bidder.

(1) Hold the Price. The winning bidder:

- (a) will make a bona fide offering to the public of all of the Notes at the Initial Reoffering Prices and provide Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,
- (b) will neither offer nor sell to any person any Notes within a maturity at a price that is higher, or a yield that is lower, than the Initial Reoffering Price of such maturity until the earlier of (i) the date on which the winning bidder has sold to the public at least 10 percent of the Notes of such maturity at a price that is no higher, or a yield that is no lower, than the Initial Reoffering Price of such maturity or (ii) the close of business on the 5th business day after the date of the award of the Notes, and
- (c) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, language obligating each underwriter to comply with the limitations on the sale of the Notes as set forth above.

(2) Follow the Price. The winning bidder:

- (a) will make a bona fide offering to the public of all of the Notes at the Initial Reoffering Prices and provide the Issuer with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,
- (b) will report to the Issuer information regarding the actual prices at which at least 10 percent of the Notes within each maturity of the Notes have been sold to the public,

(c) (c) will provide the Issuer with reasonable supporting documentation or certifications of such sale prices the form of which is acceptable to Bond Counsel. This reporting requirement, which may extend beyond the closing date of the Notes, will continue until such date that the requirements set forth in paragraph (b) above for each maturity of the Notes has been sold to the public, and

(d) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, language obligating each underwriter to comply with the reporting requirement described above.

For purposes of the “hold the price” or “follow the price” requirement, a “maturity” refers to Notes that have the same interest rate, credit and payment terms.

Regardless of whether or not the Competitive Sale Requirements were met, the winning bidder shall submit to the Issuer a certificate (the “Reoffering Price Certificate”), satisfactory to Bond Counsel, prior to the delivery of the Notes stating the applicable facts as described above. The form of Reoffering Price Certificate is available by contacting Bond Counsel or the Municipal Advisor.

If the winning bidder has purchased the Notes for its own account and not with a view to distribution or resale to the public, then, whether or not the Competitive Sale Requirements were met, the Reoffering Price Certificate will recite such facts and identify the price or prices at which the purchase of the Notes was made.

For purposes of this Notice of Sale, the “public” does not include the winning bidder or any person that agrees pursuant to a written contract with the winning bidder to participate in the initial sale of the Notes to the public (such as a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Notes to the public). In making the representations described above, the winning bidder must reflect the effect on the offering prices of any “derivative products” (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Notes.

THE NOTES

The Notes will be valid and legally binding unsecured obligations of the BOCES, payable as to both principal and interest from any monies of the BOCES legally available therefore. The BOCES has no taxing power.

Form of the Notes

The Notes will be issued in registered form and, at the option of the purchaser(s), the Notes will be (i) registered in the name of the successful bidder(s) or (ii) registered book-entry form registered to Cede & Co., as the partnership nominee for The Depository Trust Company, New York, New York (“DTC”) as book-entry Notes.

If the Notes are registered in the name of the successful bidder(s), a single note certificate will be issued for those Notes bearing the same rate of interest in the aggregate principal amount awarded to the respective successful bidder(s) at such interest rate. Principal of and interest on such Notes will be payable in Federal Funds by the District, at such bank or trust company located and authorized to do business in the State of New York as selected by the successful bidder(s).

If the purchaser notifies Bond Counsel by 3:00 o'clock P.M., Prevailing Time on the date of sale, such Note may be issued in the form of a book-entry-only note, in a denomination corresponding to the principal amount of the Note bearing the rate of interest and CUSIP number. In the event that the purchaser chooses such DTC registered notes, as a condition to delivery of the Notes, the successful bidder will be required to cause such note certificates to be (i) registered in the name of Cede & Co., as nominee of DTC and (ii) deposited with DTC to be held in trust until maturity. DTC is an automated depository for securities and clearinghouse for securities transactions, and will be responsible for establishing and maintaining a book-entry system for recording the ownership interests of its participants, which include certain banks, trust companies and securities dealers, and the transfers of the interests among its participants. The DTC participants will be responsible for establishing and maintaining records with respect to the Notes. Individual purchases of beneficial ownership interests in the Notes may only be made through book entries (without certificates issued by the BOCES) made on the books and records of DTC (or a successor depository) and its participants, in denominations of \$5,000 or integral multiples thereof. Principal of and interest on the Notes will be payable by the BOCES by wire transfer or in clearinghouse funds to DTC or its nominee as registered owner of the Notes. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The BOCES will not be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

CUSIP Identification Numbers

The Municipal Advisor intends to provide the purchaser of the issue with CUSIP identification numbers as is discussed in the Official Statement, in compliance with MSRB Rule G-34, (a)(i) (A)-(H). As is further discussed in Rule G-34 the purchaser, as the “dealer who acquires” the issue, is responsible for the registration fee to the CUSIP Bureau for this service. It is anticipated that CUSIP identification numbers will be printed on any Notes issued as book-entry notes. All expenses in relation to the printing of CUSIP numbers on the Notes will be paid for by the BOCES; provided, however, that the BOCES assumes no responsibility for any CUSIP Service Bureau charge or other charges that may be imposed for the assignment of such numbers.

Ratings

The Notes are not rated. Subject to the approval of the BOCES, the purchaser(s) of the Notes may have a rating completed after the sale at the expense of the purchaser(s), including any fees to be incurred by the BOCES, such as a rating action that may require the filing of a material event notification to EMMA and/or the provision of a supplement to the final Official Statement.

Delivery Date and Place of Delivery

Said Notes will be delivered through the facilities of DTC located in Jersey City, New Jersey, or at such place as may be agreed with the purchaser(s), on or about June 23, 2023. The purchase price of the Notes, in accordance with each purchaser's bid, shall be paid in Federal Funds or other funds available for immediate credit on said delivery date. The Municipal Advisor shall provide the successful bidder with wire instructions relative to the payment of the purchase price of the Notes and the successful bidder shall be entitled to rely on such instructions.

Tax Exemption and Legal Opinion

The proposed form of the approving legal opinion of Bond Counsel is set forth in Appendix D to the Preliminary Official Statement dated May 31, 2023 (the “Preliminary Official Statement”), circulated in connection with the sale of the Notes, which shall be supplemented by the final official statement to be dated June 7, 2023 (the “Official Statement”), and will be furnished to the purchaser upon delivery of the Notes

Any successful bidder may at his option refuse to accept the Notes if, prior to their delivery, the opinion of Bond Counsel is not delivered, or if any income tax law of the United States of America is hereafter enacted which shall provide that the interest thereon is taxable, or shall be taxable at a future date for federal income tax purposes, and in any such case he will be relieved from his contractual obligation arising from the acceptance of his proposal.

The Code establishes certain ongoing requirements that must be met subsequent to the issuance and delivery of the Notes in order that interest on the Notes be and remain excludable from gross income under Section 103 of the Code. Concurrently with the delivery of the Notes, the BOCES will execute a Tax Certificate (the “Tax Certificate”), which will contain provisions and procedures relating to compliance with the requirements of the Code and a certification to the effect that the BOCES will comply with the provisions and procedures set forth therein, and that it will do and perform all acts and things necessary or desirable to assure that interest paid on the Notes is excludable from gross income under Section 103 of the Code.

In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel, interest on the Notes is (i) excluded from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”) and (ii) exempt from personal income taxes of New York State and its political subdivisions, including The City of New York, all as described in more detail in “TAX MATTERS” in the Preliminary Official Statement. Upon delivery of the Notes, Bond Counsel will deliver an opinion regarding the tax-exempt status of the Notes substantially in the form of the approving legal opinion of Bond Counsel set forth in Appendix D of the Preliminary Official Statement.

The successful bidder(s) may at its option refuse to accept the Notes if the opinion of Bond Counsel is not delivered or if any income tax law of the United States of America is hereafter enacted which shall provide that the interest thereon is taxable, or shall be taxable at a future date, for federal income tax purposes, and in such case said successful bidder(s) will be relieved of its contractual obligations arising from the acceptance of its proposal.

The District WILL NOT designate the Notes as “qualified tax-exempt obligations” pursuant to the provisions of Section 265 of the Code.

Official Statement and Undertaking to Provide Notices of Events

The BOCES will provide a reasonable number of Official Statements to each successful bidder within five (5) business days following receipt of a written request therefor made to the BOCES and the Municipal Advisor. Such request may specify the applicable (a) offering price(s), (b) selling compensation, (c) rating(s), (d) credit enhancement and (e) identity and complete name of such bidder and any participating underwriters, and if so, the Official Statement will be modified or supplemented by the information so specified. Neither the BOCES nor the Municipal Advisor shall be liable in any manner for any delay, inaccuracy, or omission on the part of any successful bidder with respect to such request, nor shall the BOCES's failure, as a result thereof, to provide the Official Statement (whether or not modified or supplemented) within the above time period, constitute cause for a failure or refusal by such bidder(s) to accept delivery of and pay for the Notes in accordance with the terms hereof.

The Official Statement is in a form "deemed final" by the BOCES for purposes of the Securities and Exchange Commission Rule 15c2-12 ("Rule 15c2-12"). In order to assist bidders in complying with Rule 15c2-12, and as part of the BOCES's contractual obligation arising from its acceptance of the successful bidder's proposal, at the time of the delivery of the Notes the BOCES will provide an executed copy of its "Undertaking to Provide Notices of Events" substantially as set forth in "APPENDIX – E" of the Preliminary Official Statement circulated in connection with the sale of the Notes.

The obligations hereunder to deliver or accept the Notes pursuant hereto shall be conditioned on the availability to each successful bidder at the time of delivery of the Notes of said approving opinion; of certificates in form and tenor satisfactory to Bond Counsel evidencing the proper execution and delivery of the Notes and receipt of payment therefor and including a statement, dated as of the date of delivery, to the effect that there is no litigation pending or (to the knowledge of the signer or signers thereof) threatened relating to the Notes; and of the several certificates as described in the Official Statement under the heading "Documents Accompanying Delivery of the Notes."
