

NOTICE OF SALE

NEWBURGH ENLARGED CITY SCHOOL DISTRICT ORANGE COUNTY, NEW YORK

\$70,000,000 Bond Anticipation Notes, 2026

(NOT DESIGNATED QUALIFIED TAX-EXEMPT) (NON-CALLABLE)

Notice is given that the undersigned President of the Board of Education of the Newburgh Enlarged City School District, Orange County, New York (the "District"), will receive electronic and facsimile bids, as more fully described below, for the purchase in Federal Funds, at not less than par and accrued interest of \$70,000,000 Bond Anticipation Notes, 2026 (the "Notes"). Bids must be submitted electronically on Fiscal Advisors Auction website ("Fiscal Advisors Auction") accessible at www.fiscaladvisorsauction.com, or via facsimile to (315) 930-2354 no later than **10:30 A.M. Prevailing Time on June 9, 2026**. Bidders submitting proposals via facsimile must use the "Proposal for Notes" form attached hereto.

The Notes will be dated June 23, 2026 and will mature on June 23, 2027, with interest payable at maturity. The Notes will not be subject to redemption prior to maturity. Interest will be calculated on a 30-day month and 360-day year basis, payable at maturity.

PROCEDURES FOR DISTRIBUTION

This Notice of Sale was disseminated electronically by posting to www.fiscaladvisors.com and www.fiscaladvisorsauction.com. This method of distribution of the Notice of Sale is regularly used by Fiscal Advisors & Marketing, Inc. (the "Municipal Advisor") for purposes of disseminating notices of sale of new issuances of municipal notes.

PROCEDURES FOR BIDDING

Submission of Bids

Proposals may be submitted in accordance with this Notice of Sale until the time specified herein. No proposal will be accepted after the time for receiving proposals specified above. Any proposal received by the time for receiving proposals specified herein, which has not been modified by the bidder, shall constitute an irrevocable offer to purchase the Notes pursuant to the terms herein provided. All bidders shall be offered an equal opportunity to bid to purchase the Notes. Furthermore, no bidder shall have the opportunity to review other bids before providing a bid, or be given an opportunity to review other bids that was not equally given to all other bidders (that is, no exclusive "last look"). By submitting a bid, the underwriter attests that they have an established industry reputation for underwriting new issuances of municipal notes.

The timely delivery of all proposals submitted by facsimile transmission (FAX) must be in legible and complete form, signed by an authorized representative of the bidder, and shall be the sole responsibility of the bidder. The District shall not be responsible for any errors and/or delays in transmission and/or receipt of such bids, mechanical or technical failures or disruptions, or any omissions or irregularities in any bids submitted in such manner.

Electronic bidding will take place in a Closed Auction format. Bidders may change and submit bids as many times as they wish during the bidding period, but they may not withdraw a submitted bid. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final electronic and facsimile bids, as more fully described herein, to determine the winning bid. During the auction, no bidder will see any other bidder's bid, nor will they see the status of their bid relative to other bids (e.g., whether their bid is a leading bid).

Each bid may be for all or any part of the Notes (with a minimum bid of \$1,000,000) and state a single rate of interest therefor in a multiple of one-eighth (1/8th), one-hundredth (1/100th) or one-thousandth (1/1000th) of one per centum (1%) per annum. Each bid must be for not less than the par value of the Notes bid for.

Any attempt to bid with alterations to the specific language contained in this Notice of Sale will be considered a failure to execute a proper bid as specified in this Notice of Sale, and will be treated as a non-conforming bid and will be rejected.

Award of Notes

The Notes will be awarded to the bidder or bidders offering the lowest net interest cost, that being the rate of interest which will produce the least interest cost over the life of the Notes, after accounting for the premium offered, if any. In the event bids offering the same lowest net interest cost are received, an award will be made to the bidder offering to purchase the greater principal amount of Notes. If two or more bids offering to purchase the same principal amount of Notes at the same lowest net interest rate are received, an award will be made by lot from among such lowest bids. The right is reserved by said District to award to any bidder all or any part of the Notes which such bidder offers to purchase and, in such event, the premium, if any, specified by such bidder will be pro-rated. In any event, the award of said Notes will be made on the basis of the bid or combination of bids offering to purchase the Notes on terms most favorable to said District.

The District reserves the right to reject any and all bids (regardless of the interest rate bid) not complying with this Notice of Sale and, so far as permitted by law, to waive any irregularity or informality with respect to any bid or the bidding process. **All or none bids will be rejected. Conditional bids will be rejected, including any bid subject to credit approval.**

Registration to Bid

To bid electronically using Fiscal Advisors Auction, bidders must first visit the Fiscal Advisors Auction website at www.fiscaladvisorsauction.com where, if they have never registered with either Fiscal Advisors Auction or any municipal debt auction website powered by Grant Street Group, they can register and then request admission to the District's auction. Only FINRA registered broker dealers, dealer banks with DTC clearing arrangements and banks or trust companies located and authorized to do business in the State of New York will be eligible to bid. The District will determine whether any request for admission is granted. Bidders who have previously registered with Fiscal Advisors Auction may call auction support at (412) 391-5555 x1370 to confirm their ID or password. The use of Fiscal Advisors Auction shall be at the bidder's risk, and the District shall have no liability with respect thereto. Bidders shall not be required to register in order to submit a facsimile bid.

Rules of Fiscal Advisors Auction

The "Rules of Fiscal Advisors Auction" can be viewed on the Fiscal Advisors Auction website and are incorporated by reference in this Notice of Sale. Bidders must comply with the Rules of Fiscal Advisors Auction in addition to the requirements of this Notice of Sale. In the event the Rules of Fiscal Advisors Auction conflict with this Notice of Sale, this Notice of Sale shall prevail.

Disclaimer

Each prospective bidder who wishes to submit electronic bids shall be solely responsible to register to bid via Fiscal Advisors Auction. Each qualified prospective bidder shall be solely responsible to make necessary arrangements to access Fiscal Advisors Auction for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the District nor Fiscal Advisors Auction shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the District nor Fiscal Advisors Auction shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by Fiscal Advisors Auction. The District is using Fiscal Advisors Auction as a communications mechanism, and not as the District's agent, to conduct the electronic bidding for the Notes. If a prospective bidder encounters any difficulty in registering to bid, or submitting or modifying a bid for the Notes, it should telephone Fiscal Advisors Auction and notify the Municipal Advisor at (315) 752-0051 (provided that the District shall have no obligation to take any action whatsoever upon receipt of such notice). After receipt of bids is closed, the District through Fiscal Advisors Auction or telephone will indicate the apparent successful bidder. Such message is a courtesy only for viewers, and does not constitute the award of the Notes. The Fiscal Advisors Auction bids will be compared with bids received outside of Fiscal Advisors Auction, if any, before the award is made. Each bid will remain subject to review by the District to determine its net interest cost and compliance with the terms of this Notice of Sale.

Issue Price

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Notes, is a good faith offer which the bidder believes reflects current market conditions, and is not a "courtesy bid" being submitted for the purpose of assisting in meeting the competitive sale requirements relating to the establishment of the "issue price" of the Notes pursuant to U.S. Treasury Regulations 1.148-1(f)(3)(i), including the requirement that bids be received from at least three (3) underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the "Competitive Sale Requirements"). The Municipal Advisor will advise the winning bidder if the Competitive Sale Requirements were met at the same time it notifies the winning bidder of the award of the Notes. Bids will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied.

Each winning bidder shall, within one (1) hour after being notified of the award of the Notes, advise the Municipal Advisor by electronic or facsimile transmission of the reasonably expected initial public offering price or yield of each maturity of the Notes being purchased by such winning bidder (the “Initial Reoffering Price”) as of the date of the award.

By submitting a bid, each bidder (unless such bidder would be purchasing the Notes for its own account and not with a view to distribution or resale to the public) represents that it has an established industry reputation for underwriting new issuances of municipal bonds and notes, and agrees that if the Competitive Sale Requirements are not met and if it is a winning bidder, it will elect and satisfy either option (1) or option (2) described below. *Such election must be made on the bid form submitted by each bidder. If no election is made, the bidder shall be deemed to have elected option (1) below.*

For purposes of the “hold the price” or “follow the price” requirement described below, a “maturity” refers to Notes that have the same interest rate, credit and payment terms.

(1) Hold the Price. Such winning bidder:

(a) will make a bona fide offering to the public of all of the Notes within a maturity being purchased by such winning bidder provided by such winning bidder at the Initial Reoffering Price and provide the Municipal Advisor and Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will neither offer nor sell to any person any Notes within a maturity at a price that is higher, or a yield that is lower, than the Initial Reoffering Price of such maturity until the earlier of (i) the date on which the winning bidder has sold to the public at least 10 percent of the Notes of such maturity at a price that is no higher, or a yield that is no lower, than the Initial Reoffering Price of such maturity or (ii) the close of business on the 5th business day after the date of the award of the Notes, and

(c) has or will include within any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Notes within a maturity to the public, together with the related pricing wires, language obligating each underwriter to comply with the limitations on the sale of such Notes as set forth above.

(2) Follow the Price. Such winning bidder:

(a) will make a bona fide offering to the public of all of the Notes within a maturity being purchased by such winning bidder at the Initial Reoffering Price and provide the Municipal Advisor and Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will report to the Municipal Advisor and Bond Counsel information regarding the actual prices at which the Notes within a maturity have been first sold to the public; such reporting requirement, which may extend beyond the closing date of the Notes, will continue until either (i) all of the Notes of such maturity have been sold, or (ii) the first date on which at least ten percent (10%) of the Notes of such maturity has been sold to the public at a specific price,

(c) will provide the Municipal Advisor and Bond Counsel with reasonable supporting documentation or certifications of such sale prices the form of which is acceptable to Bond Counsel.

(d) has or will include within any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Notes within a maturity to the public, together with the related pricing wires, language obligating each underwriter to comply with the reporting requirement described above.

Regardless of whether or not the Competitive Sale Requirements were met, each winning bidder shall submit to the Issuer a certificate (the “Reoffering Price Certificate”), satisfactory to Bond Counsel, prior to the delivery of the Notes stating the applicable facts as described above. The form of Reoffering Price Certificate is available by contacting Bond Counsel or the Municipal Advisor.

If a winning bidder has purchased the Notes for its own account and not with a view to distribution or resale to the public, then, whether or not the Competitive Sale Requirements were met, the Reoffering Price Certificate will recite such facts and identify the price or prices at which such purchase of the Notes was made.

For purposes of this Notice of Sale, the following terms shall have the following respective meanings:

(A) the “*public*” means any person other than an underwriter or a related party (as defined below) to an underwriter;

(B) an “*underwriter*” means (i) the winning bidder (unless the winning bidder is purchasing the Notes for its own account and not with a view to distribution or resale to the public), (ii) any person that agrees pursuant to a written contract with the winning bidder to form an underwriting syndicate to participate in the initial sale of the Notes to the public, and (iii) any person that agrees pursuant to a written agreement with either the winning bidder or any other member of an underwriting syndicate for the Notes to participate in the initial sale of the Notes to the public (such as a third-party distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Notes to the public); and

(C) a “*related party*” means an entity that shares with another entity (i) more than fifty percent (50%) common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than fifty percent (50%) common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than fifty percent (50%) common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

In making the representations described above, the winning bidder must reflect the effect on the offering prices of any “derivative products” (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Notes.

THE NOTES

Security for the Notes

The Notes are general obligations of the District and will contain a pledge of the faith and credit of the District for the payment of the principal of and interest on the Notes and, unless paid from other sources, the Notes are payable from ad valorem taxes which may be levied upon all the taxable real property within the District, without limitation as to rate or amount.

In the event of a default in the payment of the principal of and/or interest on the Notes, the State Comptroller is required to withhold, under certain conditions prescribed by Section 99-b of the State Finance Law, state aid and assistance to the District and to apply the amount thereof so withheld to the payment of such defaulted principal and/or interest, which requirement constitutes a covenant by the State with the holders from time to time of the Notes.

Purpose of Issue

The Notes are issued pursuant to the Constitution and laws of the State, including the Education Law, constituting Chapter 16, and the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of New York, two bond resolutions both adopted by the Board of Education of the District on March 12, 2019 authorizing the issuance of (i) \$188,000,000 serial bonds of the District to finance the construction and equipping of a new school building and additions, alterations and other improvements to the District’s existing school buildings and facilities (the “Capital Project”), and (ii) \$59,000,000 serial bonds of the District to finance upgrades and improvements to the heating, ventilation, air conditioning and circulation systems in all of the District’s existing school buildings and facilities (the “HVAC Project”), respectively and a bond resolution adopted by the Board of Education of the District on April 8, 2025 authorizing the construction and reconstruction of improvements to Fostertown and Gardnertown elementary schools at an estimated cost of \$33,000,000 with the issuance of \$30,000,000 in serial bonds to finance said project. Each bond resolution was subsequently authorized by voter approval at a referendum held on May 21, 2019 and May 20, 2025 respectively.

Form of the Notes

At the option of the purchaser(s), the Notes will be issued in (i) registered certificated form, registered in the name of the purchaser(s) or (ii) registered book-entry-only form registered to Cede & Co., as the partnership nominee for The Depository Trust Company (“DTC”). The District will act as Paying Agent for the Notes. All expenses related to DTC shall be the responsibility of the purchaser.

If the Notes are issued in registered certificated form, they will be issued in the name of the purchaser. Principal and interest on the Notes are payable at maturity in lawful money of the United States of America (Federal Funds) at the office of the District Clerk, Newburgh, New York. However, the purchaser(s) shall have the right to designate a bank or banks located and authorized to do business in the State of New York as the place or places for the payment of the principal and interest on the Notes. Any related bank fees, if any, are to be paid by the purchaser(s). A single note certificate will be issued for those Notes of an issue bearing the same rate of interest in the aggregate principal amount awarded to such purchaser(s) at such interest rate.

If the purchaser notifies Bond Counsel by 3:00 o'clock P.M., Prevailing Time on the date of sale, such Notes may be issued in the form of registered book-entry-only notes, in the denominations corresponding to the aggregate principal amount for each Note bearing the same rate of interest and CUSIP number. In the event that the Purchaser chooses registered book-entry only notes, as a condition to delivery of the Notes, the successful bidder will be required to cause such note certificates to be (i) registered in the name of Cede & Co., as nominee of DTC, and (ii) deposited with DTC to be held in trust until maturity. DTC is an automated depository for securities and clearinghouse for securities transactions, and will be responsible for establishing and maintaining a book-entry system for recording the ownership interests of its participants, which include certain banks, trust companies and securities dealers, and the transfers of the interests among its participants. The DTC participants will be responsible for establishing and maintaining records with respect to the Notes. Individual purchases of beneficial ownership interests in the Notes may only be made through book entries (without certificates issued by the District) made on the books and records of DTC (or a successor depository) and its participants, in denominations of \$5,000 or integral multiples thereof, which may be determined by successful bidder(s). Principal and interest on the Notes will be payable by the District by wire transfer or in clearinghouse funds to DTC or its nominee as registered owner of the Notes. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The District will not be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

Ratings

The Notes are not rated. Subject to the approval of the District, the purchaser(s) of the Notes may have a rating completed after the sale at the expense of the purchaser(s), including any fees to be incurred by the District, such as a rating action that may require the filing of a material event notification to EMMA and/or the provision of a supplement to the Official Statement.

CUSIP Identification Numbers

The Municipal Advisor intends to apply for CUSIP identification numbers, as is discussed in the Official Statement, in compliance with MSRB Rule G-34. As is further discussed in Rule G-34, the purchaser, as the “dealer who acquires” the issue, is responsible for the registration fee to the CUSIP Bureau for this service. It is anticipated that CUSIP identification numbers will be printed on the Notes. All expenses in relation to the printing of CUSIP numbers on the Notes will be paid for by the District; provided, however, that the District assumes no responsibility for any CUSIP Service Bureau charge or other charges that may be imposed for the assignment of such numbers.

Delivery Date and Place of Delivery

The Notes will be delivered through the facilities of DTC located in Jersey City, New Jersey, or as may be agreed with the purchaser(s), on or about June 23, 2026. The purchase price of the Notes, in accordance with the purchaser's bid, shall be paid in Federal Funds or other funds available for immediate credit on the delivery date. The Municipal Advisor shall provide the successful bidder with wire instructions relative to the payment of the purchase price of the Notes, and the successful bidder shall be entitled to rely on such instructions.

Legal Matters

Legal matters incident to the authorization, issuance and sale of the Notes will be subject to the final approving opinion of Harris Beach Murtha Cullina PLLC, New York, New York, Bond Counsel to the District. Such legal opinion will state that in the opinion of Bond Counsel (i) the Notes have been authorized and issued in accordance with the Constitution and statutes of the State of New York and constitute valid and legally binding general obligations of the District, all the taxable real property within which is subject to the levy of ad valorem taxes to pay the Notes and interest thereon, without limitation as to rate or amount (See “TAX LEVY LIMITATION LAW” in the official statement accompanying this Notice of Sale); provided, however, that the enforceability (but not the validity) of such Notes may be limited by any applicable existing or future bankruptcy, insolvency or other law (State or Federal) affecting the enforcement of creditors’ rights.

Such legal opinions will also state that in the opinion of Bond Counsel (i) in rendering the opinions expressed therein, Bond Counsel has assumed the accuracy and truthfulness of all public records, documents and proceedings examined by Bond Counsel which have been executed or certified by public officials acting within the scope of their official capacities, and has not verified the accuracy or truthfulness thereof, and Bond Counsel also has assumed the genuineness of the signatures appearing upon such public records, documents and proceedings and such certifications thereof; (ii) the scope of Bond Counsel's engagement in relation to the issuance of the Notes has extended solely to the examination of the facts and law incident to rendering the opinions expressed therein; (iii) the opinions expressed therein are not intended and should not be construed to express or imply any conclusion that the amount of real property subject to taxation within the boundaries of the District together with other legally available sources of revenue, if any, will be sufficient to enable the District to pay the principal of and interest on the Notes as the same respectively become due and payable; (iv) reference should be made to the Official Statement for factual information which, in the judgment of the District, would materially affect the ability of the District to pay such principal and interest; and (v) while Bond Counsel has participated in the preparation of the Official Statement, Bond Counsel has not verified the accuracy, completeness or fairness of the factual information contained therein and, accordingly, no opinion is expressed by Bond Counsel as to whether the District, in connection with the sale of the Notes, has made any untrue statement of a material fact, or omitted to state a material fact necessary in order to make any statements made, in the light of the circumstances under which they were made, not misleading.

Closing Certificates

Upon delivery of and payment for the Notes, the purchaser(s) of the Notes will also receive without cost, in form satisfactory to Bond Counsel dated as of the date of delivery and payment for the Notes: (a) a certificate or certificates evidencing execution, delivery and receipt of payment for the Notes, (b) a certificate or certificates executed by the officer of the District who executed the Notes on behalf of the District, stating that (i) no litigation is then pending or, to the knowledge of such officer, threatened to restrain or enjoin the issuance or delivery of the Notes, (ii) the statements contained in the official statement relating to the Notes, on the date thereof and on the date of delivery of and payment for the Notes, were and are true in all material respects and did not, and do not, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading, and (iii) no authority or proceedings for the issuance of the Notes has or have been repealed, rescinded or revoked, (c) an arbitrage and use of proceeds certificate executed by the President of the Board of Education of the District, and (d) a continuing disclosure agreement executed by the President of the Board of Education for purposes of Rule 15c2-12 (the "Rule") promulgated by the United States Securities and Exchange Commission, as described in the official statement accompanying this Notice of Sale.

THE NOTES WILL NOT BE DESIGNATED "QUALIFIED TAX-EXEMPT OBLIGATIONS" PURSUANT TO SECTION 265(b)(3) OF THE CODE.
