Notice is given that the undersigned President of the Board of Education of the Rockland Central School District, Sullivan and Delaware Counties, New York, (the "School District" or "District") will receive electronic and facsimile bids, as more fully described below, for the purchase in Federal Funds, at not less than par and accrued interest of \$975,000 Bond Anticipation Notes, 2025 (the "Notes"). Bids must be submitted electronically on Fiscal Advisors Auction website ("Fiscal Advisors Auction") accessible at www.FiscalAdvisorsAuction.com, or via facsimile to (315) 930-2354 no later than **11:30 A.M. Eastern Time on August 14, 2025**. Bidders submitting proposals via facsimile must use the "Proposal for Notes" form attached hereto.

The Notes will be dated August 28, 2025 and will mature on July 30, 2026, with interest payable at maturity. The Notes will not be subject to redemption prior to maturity. Interest will be calculated on a 30-day month and 360-day year basis, payable at maturity.

Pursuant to provisions of the Education Law Section 315, the legal name of the former Livingston Manor Central School District and the former Roscoe Central School District which were centralized by the order of the Commissioner of Education dated November 14, 2024, approved by referendum conducted on December 19, 2024 and legally designated as the Livingston Manor Roscoe Central School District has been changed to the Rockland Central School District effective as of July 1, 2025.

PROCEDURES FOR DISTRIBUTION

This Notice of Sale was disseminated electronically by posting to www.fiscaladvisors.com and www.FiscalAdvisorsAuction.com. This method of distribution of the Notice of Sale is regularly used by Fiscal Advisors & Marketing, Inc. (the "Municipal Advisor"), for purposes of disseminating notices of sale of new issuances of municipal notes.

There is no offering document which accompanies this Notice of Sale. Rule 15c2-12 promulgated by the U.S. Securities and Exchange Commission does not require the distribution of an offering document to investors in connection with the sale of the municipal securities offered through this Notice of Sale.

PROCEDURES FOR BIDDING

Submission of Bids

Proposals may be submitted in accordance with this Notice of Sale until the time specified herein. No proposal will be accepted after the time for receiving proposals specified above. Any proposal received by the time for receiving proposals specified herein, which has not been modified or withdrawn by the bidder, shall constitute an irrevocable offer to purchase the Notes pursuant to the terms herein and therein provided. All bidders shall be offered an equal opportunity to bid to purchase the Notes. Furthermore, no bidder shall have the opportunity to review other bids before providing a bid, or be given an opportunity to review other bids that was not equally given to all other bidders (this is, no exclusive "last look"). If an underwriter is submitting the bid, the underwriter attests that they have an established industry reputation for underwriting new issuances of municipal notes.

The timely delivery of all proposals submitted by facsimile transmission (FAX) must be in legible and complete form, signed by an authorized representative of the bidder(s), and shall be the sole responsibility of the bidder(s). The School District shall not be responsible for any errors and/or delays in transmission and/or receipt of such bids, mechanical or technical failures or disruptions, or any omissions or irregularities in any bids submitted in such manner.

Electronic bidding will take place in a Closed Auction format. Bidders may change and submit bids as many times as they wish during the bidding period, but they may not withdraw a submitted bid after to the deadline for receipt of bids. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final electronic and facsimile bids, as more fully described herein, to determine the winning bid. During the auction, no bidder will see any other bidder's bid, nor will they see the status of their bid relative to other bids (e.g., whether their bid is a leading bid).

Each bid must be for all of said Notes and state a single rate of interest therefor in a multiple of one-eighth (1/8th) or one-hundredth (1/100th) of one per centum (1%) per annum. Each bid must be for not less than the par value of the Notes bid for.

Any attempt to bid with alterations to the specific language contained in the Notice of Sale which sets forth the documents that will be delivered to the Purchaser at closing will be considered a failure to execute a proper bid as specified in this Notice of Sale and will be treated as a violation of applicable competitive bidding regulations and therefore will be treated as a non-conforming bid which will be rejected.

Award of Notes

Unless all bids are rejected, the award will be made to the bidder complying with the terms of sale and offering to purchase the Notes at the lowest net interest cost, that being the rate of interest which will produce the least interest cost over the life of the Notes, after accounting for the premium offered, if any; provided, however, that if two or more bidders offer to purchase the Notes at the same lowest net interest cost, then such award will be made to one of said bidders as may be selected by lot from among said bidders by the undersigned President of the Board of Education and Chief Fiscal Officer. The School District may, after selecting the low bidder, decrease the aggregate principal amount of the Notes, in order that the total proceeds, which include the total principal amount of the Notes plus the original issue premium, if any, received by the School District does not exceed the maximum amount permitted under applicable provisions of the Internal Revenue Code of 1986, as amended (the "Code").

The School District reserves the right to reject any and all bids (regardless of the interest rate bid), to reject any bid not complying with this official Notice of Sale and, so far as permitted by law, to waive any irregularity or informality with respect to any bid or the bidding process. All or none bids will be rejected. Conditional bids will be rejected, including any bid subject to credit approval.

Registration to Bid

To bid electronically using Fiscal Advisors Auction, bidders must first visit the Fiscal Advisors Auction website at www.FiscalAdvisorsAuction.com where, if they have never registered with either Fiscal Advisors Auction or any municipal debt auction website powered by Grant Street Group, they can register and then request admission to the School District's auction. Only FINRA registered broker dealers, dealer banks with DTC clearing arrangements and banks or trust companies located and authorized to do business in the State of New York will be eligible to bid. The School District will determine whether any request for admission is granted. Bidders who have previously registered with Fiscal Advisors Auction may call auction support at (412) 391-5555 x1370, to confirm their ID or password. The use of Fiscal Advisors Auction shall be at the bidder's risk, and the School District shall have no liability with respect thereto. Bidders shall not be required to register in order to submit a facsimile bid.

Rules of MuniAuction

The "Rules of Fiscal Advisors Auction" can be viewed on the Fiscal Advisors Auction website and are incorporated by reference in this Notice of Sale. Bidders must comply with the Rules of Fiscal Advisors Auction in addition to the requirements of this Notice of Sale. In the event the Rules of Fiscal Advisors Auction conflict with this Notice of Sale, this Notice of Sale shall prevail.

Disclaimer

Each prospective bidder who wishes to submit electronic bids shall be solely responsible to register to bid via Fiscal Advisors Auction. Each qualified prospective bidder shall be solely responsible to make necessary arrangements to access Fiscal Advisors Auction for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the School District nor Fiscal Advisors Auction shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the School District nor Fiscal Advisors Auction shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by Fiscal Advisors Auction. The School District is using Fiscal Advisors Auction as a communications mechanism, and not as the School District's agent, to conduct the electronic bidding for the Notes. If a prospective bidder encounters any difficulty in registering to bid, or submitting or modifying a bid for the Notes, it should telephone Fiscal Advisors Auction and notify the School District's Municipal Advisor at (315) 752-0051 (provided that the School District shall have no obligation to take any action whatsoever upon receipt of such notice). After receipt of bids is closed, the School District through Fiscal Advisors Auction or telephone will indicate the apparent successful bidder. Such message is a courtesy only for viewers, and does not constitute the award of the Notes. The Fiscal Advisors Auction bids will be compared with bids received outside of Fiscal Advisors Auction, if any, before the award is made. Each bid will remain subject to review by the School District to determine its net interest cost and compliance with the terms of this Notice of Sale.

Issue Price

Following the sale of the Notes, on the Sale Date, the successful bidder will be required to provide to the School District and its Bond Counsel certain information regarding the reoffering price to the public of the Notes. If the winning bidder is purchasing the Notes for its own account and not with a view to distribute or resale, they should inform the municipal advisor at the time of award and a certificate to that effect will be required on or before closing. Otherwise, the successful bidder also must submit to the School District a certificate (the "Reoffering Price Certificate"), satisfactory to Bond Counsel, dated as of the day of the delivery of the Notes, which assuming at least three separate bids are received from three different underwriters, states:

- (a) (i) on the date of award, such successful bidder made a bona fide public offering of the Notes at the initial offering price corresponding to the price or yield indicated in the information furnished in connection with the successful bid, and (ii) as of such date, the first price or yield at which an amount equal to at least ten percent of the Notes was reasonably expected to be sold to the public was, respectively, a price not higher or a yield not lower than indicated in the information furnished with the successful bid (the "first price rule"), and (iii) provides a copy of the pricing wire or equivalent communication for the Notes attached to the Reoffering Price Certificate. The term "public" as used herein means any persons including an individual, trust, estate, partnership, association, company or corporation (other than the successful bidder(s) or a related party to the successful bidder(s), being two or more persons who have greater than 50% common ownership directly or indirectly, or any person that agrees pursuant to a written contract or other agreement with a successful bidder to participate in the initial sale of the Notes to the public).
- (b) the successful bidder was not given the opportunity to review other bids prior to submitting its bid.
- (c) the bid submitted by the successful bidder constituted a firm offer to purchase the Notes.

In the event that at least three bids are not received by the School District on the Sale Date, and at least ten percent of the Notes have been sold on the Sale Date, the successful bidder shall certify as to the first price or yield at which ten percent of the Notes was sold in accordance with the first price rule and provide a copy of the pricing wire or equivalent communication.

In addition, in the event that (1) at least three bids are not received by the School District on the Sale Date, and (2) 10% of the Notes have not been sold on the Sale Date, the successful bidder (and any members of its underwriting group or syndicate) shall have the option (i) to provide to the School District (or its agents) ongoing pricing information, together with reasonable supporting documentation acceptable to bond counsel (such as the pricing wire), until 10% of the Notes is sold (the "Follow-the-Price Requirement"), or (ii) shall be required to hold the initial reoffering price to the public of such Notes (as reported to the School District on the Sale Date) for the lesser of five (5) business days after the Sale Date or the date on which at least 10% of such Notes are sold (the "Hold-the-Offering-Price Requirement"). A certification as to the details of compliance with this requirement shall be part of the Reoffering Price Certificate.

The School District or its Municipal Advisor on its behalf shall advise the successful bidder on the Sale Date as to whether at least three bids were received. Delivery of a bid shall constitute the bidder's agreement to comply with the Hold-the-Offering-Price Requirement or the Follow-the-Price Requirement of this Notice of Sale and to certify to compliance therewith under the circumstances described herein.

Such certificate shall state that it is made on the best knowledge, information and belief of the successful bidder after appropriate investigation.

THE NOTES

Security for the Notes

The Notes will be valid and legally binding general obligations of the School District, all the taxable real property within which will be subject to the levy of ad valorem taxes to pay the Notes and interest thereon, without limitation as to rate or amount. The School District will pledge its faith and credit for the payment of the principal of the Notes and interest thereon. Principal and interest on the Notes are payable at maturity in lawful money of the United States of America (Federal Funds).

In the event of a default in the payment of the principal of and/or interest on the Notes, the State Comptroller is required to withhold, under certain conditions prescribed by Section 99-b of the State Finance Law, state aid and assistance to the District and to apply the amount thereof so withheld to the payment of such defaulted principal and/or interest, which requirement constitutes a covenant by the State with the holders from time to time of the Notes.

Purpose of Issue

The Notes are being issued pursuant to the Constitution and statutes of the State of New York, including among others, the Education Law and the Local Finance Law and a bond resolution adopted by the Board of Education on May 21, 2025 authorizing the issuance of \$975,000 serial bonds and bond anticipation notes to finance the construction of improvements to and reconstruction of the School District building. The proceeds of the Notes will provide \$975,000 in new money for the capital project.

The District is in the process of complying with the procedure for the validation of the Notes as provided in Title 6 of Article 2 of the Local Finance Law with respect to publication of the notice of estoppel. This estoppel procedure will be complied with prior to the closing date of the Notes.

Note Rating

The Notes are NOT rated.

Form of the Notes

At the option of the purchaser, the Notes will be issued in (i) registered certificated form, registered in the name of the purchaser or (ii) registered book-entry-only form registered to Cede & Co., as the partnership nominee for The Depository Trust Company, New York, New York (“DTC”). All expenses related to DTC shall be the responsibility of the purchaser.

If the Notes are issued in non-book-entry form, they will be issued as registered certificated obligations, in the name of the purchaser. Principal and interest on the Notes are payable at maturity in lawful money of the United States of America (Federal Funds). Any related bank fees, if any, are to be paid by the purchaser. A single note certificate will be issued for those Notes of an issue bearing the same rate of interest in the aggregate principal amount awarded to such purchaser at such interest rate.

If the purchaser notifies Bond Counsel by 3:00 o'clock P.M., Prevailing Time on the date of sale, such Note may be issued in the form of a book-entry-only note, in a denomination corresponding to the principal amount of the Note bearing the rate of interest and CUSIP number. In the event that the purchaser chooses such DTC registered notes, as a condition to delivery of the Notes, the successful bidder will be required to cause such note certificates to be (i) registered in the name of Cede & Co., as nominee of The Depository Trust Company, (“DTC”) New York, New York, and (ii) deposited with DTC to be held in trust until maturity. DTC is an automated depository for securities and clearinghouse for securities transactions, and will be responsible for establishing and maintaining a book-entry system for recording the ownership interests of its participants, which include certain banks, trust companies and securities dealers, and the transfers of the interests among its participants. The DTC participants will be responsible for establishing and maintaining records with respect to the Notes. Individual purchases of beneficial ownership interests in the Notes may only be made through book entries (without certificates issued by the District) made on the books and records of DTC (or a successor depository) and its participants, in denominations of \$5,000 or integral multiples thereof, as may be determined by the successful bidder. Principal of and interest on the Notes will be payable by the District by wire transfer or in clearinghouse funds to DTC or its nominee as registered owner of the Notes. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The District will not be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

CUSIP Identification Numbers

The Municipal Advisor intends to provide the purchaser of the issue with CUSIP identification numbers as is discussed in the Preliminary Official Statement, in compliance with MSRB Rule G-34, (a)(i) (A)-(H). As is further discussed in Rule G-34 the purchaser, as the “dealer who acquires” the issue, is responsible for the registration fee to the CUSIP Bureau for this service. It is anticipated that CUSIP identification numbers will be printed on the Notes. All expenses in relation to the printing of CUSIP numbers on the Notes will be paid for by the District provided, however; that the District assumes no responsibility for any CUSIP Service Bureau charge or other charges that may be imposed for the assignment of such numbers.

Delivery Date and Place of Delivery

The Notes will be delivered through the facilities of DTC located in Jersey City, New Jersey or as may be agreed with the purchaser on or about August 28, 2025. The purchase price of the Notes, in accordance with each purchaser's bid, shall be paid in Federal Funds or other funds available for immediate credit on the delivery date. The School District's Municipal Advisor shall provide the successful bidder with wire instructions relative to the payment of the purchase price of the Notes and the successful bidder shall be entitled to rely on such instructions.

Tax Exemption, Legal Opinion and Document Accompanying the Delivery of the Notes

As a condition to the purchaser's obligation to accept delivery of and pay for the Notes, such purchaser will be furnished, without cost, the following, dated as of the date of the delivery of and payment for said Notes: (i) a Closing Certificate, constituting a receipt for the Note proceeds and a signature certificate, which will include a statement that no litigation is pending, or to the knowledge of the signers, threatened affecting the Notes, (ii) an arbitrage certificate executed on behalf of the District which will include, among other things, covenants, relating to compliance with the Internal Revenue Code of 1986 (the "Code"), with the owners of the Notes that the District will, among other things, (A) take all actions on its part necessary to cause interest on the Notes not to be includable in the gross income of the owners thereof for Federal income tax purposes, including without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Notes and investment earnings thereon, making required payments to the Federal Government, if any, and maintaining books and records in a specified manner, where appropriate, and (B) refrain from taking any action which would cause interest on the Notes to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, refraining from spending the proceeds of the Notes and investment earnings thereon on certain specified purposes; and (iii) the approving legal opinion as to the validity of the Notes of **Orrick, Herrington & Sutcliffe LLP, Bond Counsel, New York, New York**.
