**AFTON CENTRAL SCHOOL DISTRICT,
CHENANGO AND BROOME COUNTIES, NEW YORK**

SCHOOL DISTRICT (SERIAL) BONDS, 2020

NOTICE OF PRIVATE COMPETITIVE BOND SALE

(BANK QUALIFIED) (NON-CALLABLE)

Proposals will be received and considered by the undersigned President of the Board of Education of the Afton Central School District, Chenango and Broome Counties, New York (the "School District"), via Fiscal Advisors Auction electronic bids submission website ("Fiscal Advisors Auction") accessible at www.FiscalAdvisorsAuction.com or by facsimile transmission at (315) 930-2354, until 10:30 A.M., Prevailing Time, on the 17th day of September, 2020, at which time and place bids will be opened, for the purchase IN FEDERAL FUNDS at not less than par and accrued interest of

\$271,500 School District (Serial) Bonds, 2020, of said School District, dated October 1, 2020, and maturing in annual principal installments which, together with interest thereon, are expected to provide for substantially level or declining annual debt service on such bonds, as defined and described in paragraph d of Section 21.00 of the New York Local Finance Law, as follows: \$51,500 on October 1, 2021 and \$55,000 on October 1 in each of the years 2022 to 2025, both inclusive, with interest thereon payable on October 1, 2021 and semi-annually thereafter on April 1 and October 1.

The bonds will initially be issued in registered certificated form or at the option of the purchaser, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the bonds. If issued in book-entry- only form, ownership interest in the bonds will be transferred pursuant to the "Book-Entry-Only System" of DTC. Principal and interest on the bonds will be payable by check or draft mailed by the School District Clerk to DTC, or to its nominee, Cede & Co., as the registered owner of the bonds. If issued in registered certificated form, principal and interest will be payable at such bank or trust company located and authorized to do business in the State of New York as may be selected by the successful bidder. Paying agent fees, if any, in such case are to be paid by the purchaser. Principal and interest will be payable in lawful money of the United States of America. The bonds will be fully registered and will be valid and legally binding general obligations of said School District, all the taxable real property within which will be subject to the levy of ad valorem taxes to pay said bonds and interest thereon, without limitation as to rate or amount. The bonds may not be converted into coupon bonds or be registered to bearer.

At the option of the purchaser, the bonds will be issued in (i) certificated registered form registered in the name of the successful bidder with (1) one certificated bond for each maturity, or (2) as a statutory installment bond ("SIB") or (ii) registered book-entry-only form registered to Cede & Co. as the partnership nominee for The Depository Trust Company, New York, New York ("DTC").

The State Constitution requires the School District to pledge its faith and credit for the payment of the principal of the bonds and the interest thereon and to make annual appropriations for the amounts required for the payment of such interest and the redemption of such bonds. The State Constitution also provides that if at any time the appropriating authorities fail to make the required appropriations for the annual debt service on the bonds and certain other obligations of the School District, a sufficient sum shall be set apart from the first revenues thereafter received and shall be applied for such purposes; also that the fiscal officer of the School District may be required to set apart and apply such revenues as aforesaid at the suit of any holder of such obligations.

In the event of a default in the payment of the principal of and/or interest on the bonds, the State Comptroller is required to withhold, under certain conditions prescribed by Section 99-b of the State Finance Law, state aid and assistance to said School District and to apply the amount thereof so withheld to the payment of such defaulted principal and/or interest which requirement constitutes a covenant by the State of New York with the holders from time to time of the bonds.

Each bid must be for all of said \$271,500 bonds and state a single rate of interest (if SIB format is chosen) or different rates of interest for bonds maturing in different calendar years; provided, however, that (i) only one rate of interest may be bid for bonds of the same maturity, (ii) the maximum difference between the highest and lowest rate of interest bid for the bonds may not exceed three per centum per annum, (iii) variations in rates of interest so bid shall be in ascending progression in order of maturity so that the rate of interest on bonds maturing in any particular calendar year shall not be less than the rate of interest applicable to bonds maturing in any prior calendar year, and (iv) all rates of interest bid must be stated in a multiple of one-eighth or one hundredth of one per centum per annum. The amount of the premium, if any, shall not exceed \$10,800.00. Unless all bids are rejected, the award will be made to the bidder complying with the terms of this private sale and offering to purchase said bonds at such rate or rates of interest as will produce the lowest net interest cost computed in accordance with the net interest cost method of calculation, that being the rate or rates of interest which will produce the least interest cost over the life of the bonds, after accounting for the premium offered, if any; provided, however, that the School District reserves the right, in its sole discretion, after selecting the low bidder, to adjust the aforesaid maturity installments to the extent necessary to meet the requirements of substantially level or declining debt service and the premium bid over par must remain unchanged after such possible changes. Any such adjustment by the School District shall be conclusive and shall be binding upon the successful bidder. If two or more such bidders offer to purchase the bonds at the same net interest cost, computed as described above, the bonds will be awarded to the bidder whose bid offers to purchase the bonds at the highest premium dollar amount. The right is reserved to reject any or all bids, and any bid not complying with this Notice of Private Competitive Bond Sale will be rejected. A GOOD FAITH DEPOSIT WILL NOT BE REQUIRED.

Proposals may be submitted electronically via Fiscal Advisors Auction electronic bid submission website or via facsimile transmission at (315) 930-2354, in accordance with this Notice of Private Competitive Bond Sale, until the time specified herein. No other form of electronic bidding services nor telephone proposals will be accepted. No proposal will be accepted after the time for receiving proposals specified above. Bidders submitting proposals via facsimile must use the "Proposal for Bonds" form attached hereto. Once the proposals are communicated electronically via Fiscal Advisors Auction or via facsimile, each bid will constitute an irrevocable offer to purchase the bonds pursuant to the terms therein provided.

Electronic bidding will take place in a Closed Auction format. Bidders may change and submit bids as many times as they wish during the bidding period, but they may not withdraw a submitted bid. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final electronic and facsimile bids, as more fully described herein, to determine the winning bid. During the auction, no bidder will see any other bidder's bid, nor will see the status of their bid relative to other bids (e.g., whether their bid is a leading bid). Each bid must be for not less than the par value of the bonds. Conditional bids will be rejected, including any bid subject to credit approval.

Prospective bidders wishing to submit an electronic bid must be registered with Fiscal Advisors Auction. To bid electronically, bidders must first visit the Fiscal Advisors Auction website at www.FiscalAdvisorsAuction.com where, if they have never registered with either Fiscal Advisors Auction or any municipal debt auction website powered by Grant Street Group, they can register and then request admission to the School District's auction. Only FINRA registered broker dealers, dealer banks with DTC clearing arrangements and banks or trust companies located and authorized to do business in the State of New York will be eligible to bid. The School District will determine whether any request for admission is granted. Bidders who have previously registered with Fiscal Advisors Auction may call auction support at (412) 391-5555 x1370 to confirm their ID or password. The use of Fiscal Advisors Auction shall be at the bidder's risk, and the School District shall have no liability with respect thereto. By submitting an electronic bid for the bonds, a bidder represents and warrants to the School District that such bidder's bid for the purchase of the bonds is submitted for and on behalf of such prospective bidder by an officer or agent who is duly authorized to bind the bidder to a legal, valid and enforceable contract for the purchase of the bonds.

Each prospective bidder who wishes to submit electronic bids shall be solely responsible to register to bid via Fiscal Advisors Auction. Each qualified prospective bidder shall be solely responsible to make necessary arrangements to access Fiscal Advisors Auction for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Private Competitive Bond Sale. Neither the School District nor Fiscal Advisors Auction shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the School District nor Fiscal Advisors Auction shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by Fiscal Advisors Auction. The School District is using Fiscal Advisors Auction as a communications mechanism, and not as the School District's agent, to conduct the electronic bidding and facsimile bidding for the School District's bonds. The School District is not bound by any advice or determination of Fiscal Advisors and Marketing, Inc. or Grant Street Group as to whether any bid complies with the terms of this Notice of Private Competitive Bond Sale. All costs and expenses incurred by prospective bidders in connection with their registration and submission of bids via Fiscal Advisors Auction are the sole responsibility of the bidders, and the School District is not responsible, directly or indirectly, for any such costs or expenses. If a prospective bidder encounters any difficulty in registering to bid, or submitting or modifying a bid for the bonds, it should telephone and notify the School District's municipal advisor, Fiscal Advisors & Marketing, Inc. (the "Municipal Advisor") at (315) 752-0051 (provided that the School District shall have no obligation to take any action whatsoever upon receipt of such notice).

The “Rules of Fiscal Advisors Auction” can be viewed on the Fiscal Advisors Auction website and are incorporated by reference in this Notice of Private Competitive Bond Sale. Bidders must comply with the Rules of Fiscal Advisors Auction in addition to the requirements of this Notice of Private Competitive Bond Sale. In the event the Rules of Fiscal Advisors Auction conflict with this Notice of Private Competitive Bond Sale, this Notice of Private Competitive Bond Sale shall prevail.

If any provisions of this Notice of Private Competitive Bond Sale shall conflict with information provided by Fiscal Advisors Auction, as approved provider of electronic bidding services, the provisions of this Notice of Private Competitive Bond Sale shall control. Further information about Fiscal Advisors Auction, including any fee charged, may be obtained from an agent for Grant Street Group at (412) 391-5555 x1370. The time maintained by Fiscal Advisors Auction shall constitute the official time with respect to all bids submitted.

Said bonds are issued pursuant to the Constitution and statutes of the State of New York, including among others, the Education Law and the Local Finance Law, for the purchase of school buses for said School District.

The School District is in the process of complying with the procedure for the publication of the Estoppel Notice with respect to the bonds as provided in Title 6 of Article 2 of the Local Finance Law.

THE SCHOOL DISTRICT RESERVES THE RIGHT TO CHANGE THE TIME AND/OR DATE FOR THE OPENING OF BIDS. NOTICE OF ANY SUCH CHANGE SHALL BE PROVIDED IN SUCH MANNER AS SHALL BE DETERMINED BY THE SCHOOL DISTRICT.

If the bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, the purchase of any such insurance policy or the issuance of any such commitment therefor shall be at the sole option and expense of such bidder and any increased costs of issuance of the bonds resulting by reason of the same, unless otherwise paid, shall be paid by such bidder. Any failure of the bonds to be so insured or of any such policy of insurance to be issued, shall not constitute cause for a failure or refusal by the purchaser of the bonds to accept delivery of and pay for said bonds in accordance with the terms of the purchase contract.

In the event that prior to the delivery of the bonds, the income received by owners thereof from bonds of the same type and character becomes includable in the gross income of such owners for Federal income tax purposes, the successful bidder may, at his election, be relieved of his obligations under the contract to purchase the bonds.

The purchase price of the bonds, in accordance with the purchaser’s bid, shall be paid IN FEDERAL FUNDS or other funds available for immediate credit on the day of delivery, in an amount equal to the par amount of such bonds, plus the premium, if any, plus accrued interest from the date of such bonds until said day of delivery. The closing on said bonds will take place at the offices of Orrick, Herrington & Sutcliffe LLP, 51 West 52nd Street, 15th Floor, New York, New York, on or about October 1, 2020.

The Municipal Advisor intends to provide the purchaser of the issue with CUSIP identification numbers in compliance with MSRB Rule G-34, (a)(i) (A)-(H). As is further discussed in Rule G-34 the purchaser, as the “dealer who acquires” the issue, is responsible for the registration fee to the CUSIP Bureau for this service. It is anticipated that CUSIP identification numbers will be printed on the bonds. All expenses in relation to the printing of CUSIP numbers on the bonds will be paid for by the School District provided, however; that the School District assumes no responsibility for any CUSIP Service Bureau charge or other charges that may be imposed for the assignment of such numbers.

The bonds will be available for inspection by the purchaser at The Depository Trust Company, in Jersey City, New Jersey, not less than 24 hours prior to the time set for the delivery thereof. It shall be the responsibility of the purchaser to verify the CUSIP numbers at such time.

As a condition to the purchaser’s obligation to accept delivery of and pay for the bonds, the purchaser will be furnished, without cost, the following, dated as of the date of the delivery of and payment for the bonds: (i) a Closing Certificate, constituting receipt for the bond proceeds and a signature certificate, which will include a statement that no litigation is pending or, to the knowledge of the signers, threatened affecting the bonds; (ii) an arbitrage certificate executed on behalf of the School District which includes, among other things, covenants, relating to compliance with the Internal Revenue Code of 1986 (the “Code”), with the owners of the bonds that the School District will, among other things, (A) take all actions on its part necessary to cause interest on the bonds not to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the bonds and investment earnings thereon, making required payments to the Federal government, if any, with regard to both the bonds and any obligations refunded with proceeds of the bonds, and maintaining books and records in a specified manner, where appropriate, and (B) refrain from taking any action which would cause interest on the bonds to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, refraining from spending the proceeds of the bonds and investment earnings thereon on certain specified purposes; and (iii) the approving legal opinion as to the validity of the bonds of Orrick, Herrington & Sutcliffe LLP, New York, New York, Bond Counsel.

The Bonds will be designated as “qualified tax-exempt obligations” pursuant to Section 265(b)(3) of the Internal Revenue Code of 1986.

Following the sale of the bonds, on the Sale Date, the successful bidder will be required to provide to the School District and its Bond Counsel certain information regarding the reoffering price to the public of each maturity of the bonds. If the winning bidder is purchasing each maturity of the bonds for its own account and not with a view to distribute or resale, a certificate to that effect will be required. Otherwise, the successful bidder must submit to the School District a certificate (the “Reoffering Price Certificate”), satisfactory to Bond Counsel, dated as of the day of the delivery of the bonds, which assuming three bids from underwriters are received, states:

(a)(i) on the date of award, such successful bidder made a bona fide public offering of all bonds of all maturities at initial offering prices corresponding to the prices or yields indicated in the information furnished in connection with the successful bid, and (ii) as of such date, the first price or yield at which an amount equal to at least ten percent of each maturity of the bonds was reasonably expected to be sold to the public was, respectively, a price not higher or a yield not lower than

indicated in the information furnished with the successful bid (the “first price rule”), and (iii) provides a copy of the pricing wire or equivalent communication for the bonds attached to the Reoffering Price Certificate. The public means any persons including an individual, trust, estate, partnership, association, company or corporation (other than the successful bidder or a related party to the successful bidder, being two or more persons who have greater than 50% common ownership directly or indirectly, or any person that agrees pursuant to a written contract or other agreement with the successful bidder to participate in the initial sale of the bonds to the public).

(b) the successful bidder was not given the opportunity to review other bids prior to submitting its bid.

(c) the bid submitted by the successful bidder constituted a firm offer to purchase the bonds.

In the event that at least three bids are not received by the School District on the Sale Date, and at least ten percent of each maturity of the bonds have been sold on the Sale Date, the successful bidder shall certify as to the first price or yield at which ten percent of each maturity was sold and provide a copy of the pricing wire or equivalent communication.

In addition, in the event that (1) at least three bids are not received by the School District on the Sale Date, and (2) ten percent of each maturity of the bonds have not been sold on the Sale Date (each an “Unsold Maturity”), the successful bidder (and any members of its underwriting group or syndicate) shall have the option (i) to provide to the School District (or its agents) ongoing pricing information, together with reasonable supporting documentation acceptable to bond counsel (such as the pricing wire), until 10% of each Unsold Maturity is sold (the “Follow-the-Price Requirement”), or (ii) shall be required to hold the initial reoffering price to the public of each such Unsold Maturity (as reported to the School District on the Sale Date) for the lesser of five (5) business days after the Sale Date or the date on which at least 10% of each such Unsold Maturity are sold (the “Hold-the-Offering-Price Requirement”). A certification as to the details of compliance with this requirement shall be part of the Reoffering Price Certificate.

The School District or the Municipal Advisor on its behalf shall advise the successful bidder on the Sale Date as to whether at least three bids were received. Delivery of a bid shall constitute the bidder’s agreement to comply with the Hold-the-Offering-Price Requirement or the Follow-the-Price Requirement of this Notice of Private Competitive Bond Sale and to certify to compliance therewith under the circumstances described herein.

Such certificate shall state that it is made on the best knowledge, information and belief of the successful bidder after appropriate investigation.

The population of the School District is estimated to be 3,712. The Debt Statement, prepared as of September 11, 2020, will show the average full valuation of real estate subject to taxation by the School District to be \$221,211,067, its debt limit to be \$22,121,107 and its total net indebtedness subject to the debt limit to be \$6,268,876. The indebtedness to be evidenced by such bonds will increase such indebtedness by \$271,500. Bond anticipation notes have not been issued heretofore in anticipation of the sale of such bonds.
